DEACONESS BOARD

Report of Board

In accordance with one of the purposes of the Board—that of recruitment—deaconesses have worked in Christian Vocation Clinics, they have spoken in local churches, sub-district, district, and conference meetings. They have talked with young people who are interested in entering or in learning more of the opportunities in church-related vocations.

You will be interested in some of the statistics compiled from the study made last fall of the employment of women in local churches and in church projects:

45 churches employ 155 women—2 are deaconesses.

5 Woman's Society projects employ 22 women—2 are deaconesses.

3 Wesley Foundations employ 3 women.

2 conference institutions employ 17 women—1 is a deaconess. The Conference Board of Education employes 3 women.

These 200 women serve the church as church secretaries, visitors, Christian Education Directors, Youth Directors, Choir Directors, Organists, day kindergarten teachers, church hostess, nursery helpers, custodian, dietitian, and kitchen workers.

The Deaconess Board will buy the new film "Make All Things New," which interprets the Deaconess relationship, that it may be available for the Commission on Christian Vocations, conference, districts, sub-districts, and local churches. A sum of \$25.00 will be contributed to a fund for the promotion of the film's use. This film will be placed in the film library of the Conference Board of Education and itinerated from that office.

Officers of the Board for the ensuing year are:

President, Shiela Nuttall

Vice-President, Rev. Jolly B. Harper

Secretary, Mrs. G. W. Dameron

Treasurer, Miss Evelyn Murphree

Members of the Executive Committee: Dr. L. D. Haughton, Dr. Bentley Sloane

The three honorary members (retired Deaconesses) in our Conference:

Miss Ella K. Hooper, Rosedale

Miss Sophie Kuntz, New Orleans

Miss Willie Mae Porter, Monroe

Five deaconesses have been serving in the Louisiana Conference. We sincerely regret the transfer of Miss Elizabeth Thompson to the North Georgia Conference. We welcome into our conference Miss Wilma Snare, who was commissioned in Buck Hill Falls in January. She will be recognized in a special service Thursday morning. Thus our number will still be five.

EDUCATION**Report No. 1 of Board****Centenary College Report**

This past year has been a busy and eventful one in the history of Centenary College. Beyond the usual college activities there have been three items of much importance which have claimed the time and energy of the administrative staff.

In October the University Senate and the Board of Education of The Methodist Church completed a survey of the College, and in February rendered a 255-page report to the Board of Trustees. Also in October Centenary had one week's special celebration of "50 Years in Shreveport." This celebration required much preparation but was well worth the effort. In addition to these two important events, the College in February announced a ten-year development program, with a goal of \$10,500,000. The first part of this program got under way this spring with a goal of \$1,700,000. This program is well organized, backed by many enthusiastic workers, and the reception from the public has been remarkably good. To date more than \$1,000,000 has been raised.

The Conference, of course, is primarily concerned with the raising of funds for the R. E. Smith Religious Activities Building. Vice-President Leonard Cooke, Dr. B. C. Taylor, Mr. J. C. Love, Mr. G. W. James and others have been actively engaged in this part of our campaign effort, and it is our hope that the response from the Conference as a whole will be good in order that the R. E. Smith Building may become a reality within a very short while. There is as of this date something over \$51,000 available for this building, including some \$6,000 in cash and pledges raised by the Four Square Bible Class.

The dollar per member program has made progress this year with some \$72,000 raised. Of course \$22,000 of this is to be applied on the R. E. Smith Building. And I am glad to report that we are to receive next year six National Methodist Scholarships valued at \$500 each.

As to the **Survey Report**, the college administration feels that it contains many constructive suggestions for the strengthening of the College. The chairman of the Board of Trustees has been authorized to appoint a committee composed of four members of the Board and four members of the faculty for a study of this Report, and to put its suggestions into operation.

The various religious activities on the campus have been carried on this year under able leadership. We greatly regret, however, that we are losing the able services of Rev. Jim McLean who has resigned in order to pursue further studies at a university. A capable replacement for Jim McLean is now being considered. This is very

important in order that the fine work which he has done with the M. S. M. and in other religious activities may be conserved.

In connection with the college religious activities, I should like to report that the Baptists will erect a Baptist Student Center on Woodlawn Avenue to cost approximately \$100,000, and that the Episcopal Church will construct an Episcopal Student Center on the corner of Woodlawn and Wilkinson Streets. This means that these two groups will be adequately housed for their religious activities.

I should like to report that during the past few years, under the able leadership of Dean Leroy Vogel, the academic standing of our faculty has been greatly strengthened, and that today degrees. Also the entrance requirements have been stiffened to improve the quality of our student body. These are steps in the right direction.

This past year Centenary opened with an enrollment of 762 full-time students and 959 special students. If we include summer school enrollment, the total number of individuals taking work at Centenary between June 1, 1958, and May 31, 1959, was 2,482.

At the Commencement Exercises on May 24 the College was pleased to confer an honorary Doctor of Divinity degree on Rev. Jolly B. Harper, and an honorary Doctor of Humanities degree on Earhart Stivers Wagner.

At its annual meeting on May 22, the Board of Trustees nominated to the Conference for re-election to the Board the following Board Members whose terms expired in 1959: J. Pat Beaird, R. Zehntner Biederharn, Mrs. Charles N. Cadwallader, O. S. Carpenter, J. D. Caruthers, Robert H. Crosby, Robert W. French, Mrs. D. P. Hamilton, Guy M. Hicks, J. C. Love, Jr., Virgil D. Morris, Karl Tooke, A. L. Wedgeworth, J. Robert Welsh, and George D. Wray. There are no new additions in this group to the Board of Trustees.

During the coming summer months six important church conferences will be held on the Centenary campus, as follows: the Louisiana Methodist Annual Conference the Louisiana Methodist Youth Conference, the Louisiana Conference Laboratory School the Louisiana Conference Pastors' School, the Methodist Lay Retreat, and the Louisiana Conference W.S.C.S. School of Missions. We welcome these conferences to our campus and the opportunity which they afford us to render this service to the Methodist Church.

We request the bishop to re-appoint to the College Rev. R. Leonard Cooke, Dr. Webb Pomeroy, and Dr. W. F. Pledger.

Leadership Education

As part of the Area Christian Education Emphasis for 1958-59, special attention was given to Leadership Schools by the conference staff. A record total of 64 schools were held during the conference year, showing the following impressive statistics:

Number of schools	64
Workers enrolled	3,490
Courses offered	150
Faculty	135

The Baton Rouge District made an outstanding record with 11 subdistrict schools and one District Laboratory School.

Bible Conferences are becoming popular in addition to the regular Leadership Schools.

The attendance from our conference at the Leadership School, at Mt. Sequoyah, was 15 adults and 9 children.

A special worker for small churches, secured through the General Board (Miss Sue B. Mann), conducted eight Leadership Schools in eight charges during November and December. There were 182 workers enrolled and 13 churches participated.

New Ventures**1. School of Alcohol Studies**

The Board of Education cooperated with the Board of Temperance in sponsoring the first School of Alcohol Studies for Youth, at Alexandria, April 3-5. There were 50 young people and adult leaders enrolled. This School of Alcohol Studies was related to the annual Alcohol Essay Contest, sponsored by the two Boards.

2. Ministers' Seminars

In cooperation with Perkins School of Theology, the Board of

Education sponsored two advance study seminars on theology as a refresher course for seminary graduates. Dr. Schubert Ogden and Dr. Charles Johnson conducted the seminars in November in Shreveport and in Baton Rouge. Approximately 75 registered for these seminars.

3. Conference Laboratory School

The first Conference Laboratory School for all age groups was held at Centenary College in June, with an attendance of 41. A special seminar for those who will teach in Laboratory Schools was conducted by Miss Aileen Sanborn, of the General Board of Education staff.

4. Christian Education Rallies

Three conference rallies for all Christian Education workers were held in September, with Bishop Paul Martin and Dr. W. E. Trice as speakers. These rallies were part of the Area Emphasis on Christian Education. Approximately 1,400 persons attended.

5. Music Workshop

The first Conference Music Workshop was held in New Orleans in November, with about 60 Ministers of Music enrolled. Dr. Bliss Wyant, of the General Board staff, was present, and Dr. George Pool, of Rayne Church, New Orleans, was director of the workshop. Doctor Pool is Conference Chairman of the Ministers of Music, and there is a district director of each district. The Board of Education certifies all Ministers of Music who meet the requirements and certificates are issued.

The Camping Program

Summer camping continues to be one of our largest enterprises. With the purchase of Camp Istrouma, by the Baton Rouge and the New Orleans districts, and plans for an enlarged Camp Brewer, the camping program will be expanded.

Dr. Ben Oliphint, Conference Chairman, and Miss Louise Sharp, Conference Youth Director, have given outstanding leadership in camping. Miss Aileen Sanborn, of the General Board staff, has shown special interest in Louisiana camping and was present for the Camp Leaders' Training Conference in March. Also Miss Elizabeth Brown, of the General Board, was invited and came to the Conference to survey our total camping needs and evaluate camp sites.

Children's Work

Mrs. E. L. McKay, our part-time Director of Children's Work, has given special attention to the 24 Vacation Church School Institutes and the Conference Laboratory School, which is a special project of the Children's Work Council. We have 24 persons certified to teach courses in Children's Work in Leadership Schools. Each district has an active District Director of Children's Work who cooperates with the W.S.C.S. District Secretary of Children's Work.

Youth Work

Miss Louise Sharp is doing outstanding work with our youth program in Louisiana Conference. She serves as counselor for the District Directors of Youth Work, District Secretaries of Youth Work (W.S.C.S.), Conference Youth Council, and is responsible for planning all conference youth activities. Important youth activities for 1958-59:

- Annual Conference of the Methodist Youth Fellowship
- Conference Youth Workshop
- Bi-district Youth Workshops
- Youth Caravan
- Mt. Sequoyah Youth Workshop
- Conference Council Sessions
- Conference Youth Work Committee

Adult Work

Rev. George Pearce, Jr., has been of great help as volunteer Conference Director of Adult Work. He has an active group of District Directors of Adult Work and gives guidance to them in planning district meetings. In addition, he has taught adult courses in a number of Leadership Schools. Planning the Older Adult Camps is part of the work of the Conference Director. Institutes and workshops for teachers and presidents of adult classes are held each year.

Student Work

Our student program on eight college campuses (not including Centenary College) is planned to serve our 4,800 Methodist students. Miss Lillian Hay, our Conference Director of Student Work, was married to Mr. Ben Atchley in January, and has resigned her work. During the last seven years, she has devoted herself to the devel-

opment of this great program through the Wesley Foundation Directors and the State Student Council.

Rev. Allen O. Jernigan, Wesley Foundation Director of Southwestern, assumes the duties of Conference Director of Student Work on June 1.

At present, there are seven full-time Wesley Foundation Directors and one part-time Director, and a Director of the M.S.M., at Centenary College.

Plans are being considered to increase Conference support of student work to one dollar per member.

Directors of Christian Education

More churches are asking for Directors and Educational Assistants than ever before, but the supply continues to be limited. The Executive Secretary gives special attention to locating Directors for local churches and to counseling Centenary students and other students who are interested in Christian Education careers.

Certified Directors, 1959-60:

Miss Mary Searles	Rev. W. K. Jacocks
Miss Tennie V. Severtson	Rev. Ira Robinson
Miss Elizabeth Thompson	Mr. R. D. Shoulders
Rev. Estill Allen	Miss Louise Sharp
Rev. Ben Youngblood	Mr. Charles H. Giessen
Miss Norma Garlington	Miss Ann Fox
Miss Leoncia Boudreaux	Mrs. Walter McLean, Jr.
Mrs. Linda Fields	Rev. L. L. Broadus

In addition to these, we have 12 persons who are serving as Educational Assistants. This professional group has a conference organization and meets once or twice a year for business and fellowship.

Special Items

There were 23 persons from the Louisiana Conference who attended the National Methodist Family Life Conference, October 17-19, in Chicago. Mrs. G. W. Pomeroy was chairman of the delegation. Recommendations were made for a conference program of Family Life.

The Executive Secretary has given help to 15 churches in planning Educational Buildings.

The Conference Audio-Visuals Library contains about 100 items on church work, and these are circulated extensively. Recent additions include seven films, entitled "The Bishops Speak," and a color film on Africa, presented by Bishop Paul Martin.

In cooperation with the Conference Commission on Christian Vocations, Christian Career Workshops have been held in each district.

Nine persons from the Louisiana Conference attended the Jurisdiction Recreation Workshop in April.

The annual Conference on Church School Administration, held at Camp Brewer in October, reached over 100 workers from local churches throughout the conference. Miss Jennie Youngblood, of the General Board of Education staff, was the chief resource leader for this conference.

EDUCATION

Report of Commission on Christian Higher Education

Rather than report to you of accomplishments as is customary at this time, we would rather take this opportunity to express to

the Annual Conference our appreciation for your support and cooperation in the endeavors of our Commission during the past year. The accomplishments of our Commission are the gains which have been made by you in the support of Centenary College and the Wesley Foundations in this Conference. During the past three years, we have tried to bring to your attention the needs of these institutions and the necessity for an increasing financial support across the Conference. You have responded in a wonderful way to our requests, and we are proud to give you the statistics of your accomplishments.

At the beginning of this quadrennium, this Conference was paying to Centenary College approximately 30 cents per member of the suggested \$1.00 per member Conference average. In the Conference Year now closing, you have paid Centenary College approximately seventy-two thousand dollars (\$72,000), or in excess of 70 cents per member as a Conference average. We think this is a major improvement and we have every reason to feel that the average will continue to grow.

In addition to the financial support, we have seen the accomplishment through these years of a better understanding on your part of the Centenary Administration, and, likewise, a better appreciation of you on the part of the Centenary College administration. We feel that a closer working arrangement now exists between the Conference and the College than ever before in its history.

In the Wesley Foundation programs, you have supported these in a magnificent way on a district level. We have built excellent buildings in each district and the indebtedness on these is very minor and will be retired by the respective districts. However, anticipating a steadily increasing college enrollment, we will need to increase the operational budgets of all of our Foundations. Last year we appointed a special committee headed by the Reverend Ed Thomas together with each Wesley Foundation Director and the local pastor nearest each campus to study the financial program of our Wesley Foundations. The results of their study have been most gratifying and show that we are administering to approximately five thousand Methodist preference students in our Conference and that our physical plants report an investment of over one-half million dollars with less than 10% indebtedness. The Operational Budgets, as shown by our survey, indicate that each district is doing an outstanding job of financial support, and that as an overall Conference movement the finances are not equally borne.

After completing their analysis of the Wesley Foundation finances, this special committee met with the Cabinet and together they have proposed certain recommendations pertaining to the

financing. We therefore recommend to this session of Louisiana Annual Conference that the following recommendations be adopted:

1. That an objective for Wesley Foundation operation be set up for \$1.00 per member for the next Quadrennium, beside what is paid to world service.

2. That this be handled on a District level, and be shifted to a conference level as soon as it is feasible.

3. That the \$5.00 plan be eliminated as soon as each Church gets to \$1.00 per member, with the exception of those Churches out of state.

4. Further, that a Special Committee be appointed by the Board of Education together with the Cabinet to establish the method of apportioning these funds on the District level and on the Conference level.

We would like to mention briefly also the inauguration at our request of an Essay Contest by the Board of Lay Activities to be entered by high school seniors in Louisiana on the topic, "What I Expect of a Christian College." The response to this contest has been excellent and a full report of it will be made in connection with the Board of Lay Activities report.

In conclusion, we would like to recommend, too, to the Louisiana Annual Conference the following resolutions:

1. We recommend that the Committee on Memorials be requested to prepare a resolution to the General Conference recommending the continuation of the emphasis on Christian Higher Education as a permanent part of the Methodist Program.

2. We recommend the continued support of the churches of the Louisiana Annual Conference of the minimum of \$1.00 per member for the support of Centenary College.

3. We recommend the payment as early as possible by each church in the Conference of its requested amount to be paid into the fund for the R. E. Smith Religious Activities Building. These amounts have previously been apportioned to the districts and it is hoped that the total amount might be paid during this coming Conference year.

THE CONFERENCE YEAR, 1958-59

The Visitation Evangelism Workshops—October 7-14, 1958

Dr. Leslie J. Ross, of the General Board of Evangelism, gave inspired leadership to the workshops held in all the districts. Total attendance was excellent.

Simultaneous Program of Visitation Evangelism

To every pastor and church participating in this effort in January, February, and March, 1959, we express our appreciation. We recommend a continuation of a similar program in every church in 1960 at approximately the same time, dates to be determined by each local church.

Daily Bible Reading

The Conference Board of Evangelism is grateful to Dr. Ewing T. Wayland, editor of *The Louisiana Methodist*, for the weekly page 1 listing of the Bible Reading Schedule. Reports indicate Conference-wide participation in this project. We invite the continued participation of more laymen and ministers in this undertaking.

The Hour of Evangelism at Annual Conference

The Conference Board of Evangelism is happy again this year to sponsor the evangelistic preaching services at Annual Conference. We are happy to present the Conference preacher, Bishop Marvin A. Franklin, of the Jackson, Mississippi, Area, who graciously accepted the invitation of our own Bishop Paul E. Martin. Your presence at each service is invited.

BOARD OF HOSPITALS AND HOMES**Report of Board****SECTION 1. POLICY AND ORGANIZATION**

The Board of Hospitals and Homes Adopted again the policy of support of Hospital Chaplains in the several Districts of the Conference. This policy is in keeping with legislation affecting the administration of said funds:

(a) The District Golden Cross Treasurers are to be recognized as agents of the Conference Board of Hospitals and Homes, and are responsible to said board, as well as to the District Superintendents of the several Districts in which they serve.

(1) They shall make annual reports to the District Superintendents and to the Conference Board at the same time of the meeting of the Annual Conference, as to the amount and disposition of all funds for the chaplain's support handled by them.

(2) This report to be made 15 days before Conference.

(b) Each District Golden Cross Treasurer shall remit to the Treasurer of the Conference Board the sum of \$50.00 per year for the use of the board in meeting the responsibilities with which it is charged.

(c) The District Superintendents are asked to instruct the chaplains that an annual report is to be made to the Board of Hospitals and Homes on the work being done before the meeting of the Annual Conference each year.

This working agreement with the District agencies which are jointly responsible with the Board for the development of the Church's ministry in the hospitals of the state, will enable the

Board to discharge its duties in a satisfactory way and permit the District Superintendents to make the fullest of these provisions of the Discipline affecting this important work.

In view of the need in our Conference for the building of "Homes for the Aged," this Board authorizes any District in the Conference to establish, organize, or construct a Home for the Aged.

SECTION II. METHODIST CHILDREN'S HOME

We are indeed grateful for the compassion and concern that continues to move the hearts of men and women to care for little children left without parents and home. Every attempt is being made to rehabilitate the homeless who come under the care of those at the Home. Most of the children come from disturbed homes rather than as a result of being orphan children. From the reports of the churches, we are aware of how dear the Methodist Children's Home is to the hearts of Methodists over the state.

We have before us the report of the Superintendent of our Children's Home. Also, the report of the Board of Directors of the Home along with a copy of the audit. These we ask to submit without reading.

Due partly to a smaller population in the Home, there is a surplus of approximately \$4,000.00, which is a more comfortable situation than last year.

The following persons were elected to the Board of Directors for a three-year period: Dr. Marvin T. Green, Ruston; Dr. Keith Mason, Shreveport; Floyd B. James, Ruston; and B. C. Taylor.

We submit their names for confirmation by the conference with the adoption of this report.

We recommend the observance of two Methodist Home days: Easter Sunday in the spring; Harvest Day in the fall—second Sunday in October or a Sunday as near to this as seems feasible.

We recommend Rev. C. B. White to be reappointed as Superintendent and the Rev. R. W. Vaughan as Superintendent Emeritus.

SECTION III. METHODIST HOME HOSPITAL

The Methodist Home Hospital, an institution of mercy in the Louisiana and Mississippi Conference, continues to uphold the origi-

nal contribution of the church in caring for the sick and homeless and showing a brotherly spirit.

This new field of service—of helping unwed mothers and placing the babies in adoptive homes—is indeed a great field of service in the Methodist Church. The Methodist Home Hospital has the latest equipment and best medical care of any maternity hospital. It is completely air-conditioned.

The nurses and workers in the hospital are of the best. Miss Ney Bailey accepted the recommended scholarship for social work and will become a member of the staff June 1959. A similar grant is asked for to be used at the discretion of the Superintendent as soon as the work in Louisiana is in condition to spare a worker to use this scholarship. It is hoped by this method that soon all social workers will have masters' degrees. At present the nursing staff is complete.

The adoption agency is in good condition. We have plenty of good applications but the number is not burdensome. Good homes have been provided for every baby. All eligible Methodist families that have qualified have been supplied with a baby and occasionally a non-Methodist who has been recommended by one of the Methodist ministers have been supplied with a baby. During the six years Dr. Haughton has served in the Home, nearly 300 babies have been placed and not a single baby has been withdrawn.

This year it has been necessary for Mr. Ben Giles to retire, thus he has resigned as treasurer. Mr. Giles selected and prepared the present treasurer, Mrs. A. J. Ganier, who holds a responsible position with the American Oil Co., is a member of the Rayne Memorial Church and has served for several years on its official Board. Already he has demonstrated his fine interest, ability, and cooperative spirit.

The financial situation is satisfactory. Inflation caused an over-spending of the budget. The budget is made for the new year on this experience in the amount of \$109,626.00. To meet our needs in the home, the Louisiana Conference is asked to accept the same percentage and continue to give special emphasis to the Christmas offering.

The Superintendent spends most Sundays in the churches, preaching and presenting the cause and work of the Home. He is available for engagements as far as time will permit.

Maintenance costs will increase with age of the building. Improvements are made as far as possible as soon as noticed.

The following persons have been nominated to the Board of Trustees for Methodist Home Hospital: Terms expiring in 1962—J. Henry Bowden, Sr.; N. H. Melbert, Karl B. Tooke, Henry Walther, Jr. 1961—A. J. Gainer.

Dr. C. P. Lipscomb elected to serve on the Board to 1962.

We therefore submit their names to the Conference for election with the adoption of this report.

The spiritual life of the girls is being carefully and prayerfully looked after. Preaching, teaching and counseling are available on every hand. Every girl moves toward God and a better life while she is here.

We commend Rev. L. D. Haughton for the wonderful work done and Mrs. Haughton for contributing to the success and activities of the home.

The Superintendent, Board of Trustees, and the Board of Hospitals and Homes would like to express sincere thanks and warm gratitude for the fine spirit of cooperation of everyone. We feel the Lord Jesus has guided and strengthened us.

We submit a copy of the Superintendent's report and also copies of the operating fund for adpption.

BOARD OF HOSPITALS AND HOMES

A Resolution

BRETHREN:

Because of the increasing number of our people reaching retirement age, many of these needing nursing care, and;

Because the Church has historically led in matters of human need, and;

Since such institutions have been successfully built, and are being operated by the Methodist Church in many parts of the country;

After consultation with our General Board of Hospitals and Homes, we a group of interested Methodists in and around Shreveport, request that you, the Louisiana Conference Board of Hospitals and Homes, take the matter under advisement and ask the Louisiana Conference at its session May 26-29, 1959, at Centenary College, Shreveport, Louisiana, to authorize any District which feels the need to do so, to make a thorough study of the possibility of providing such facilities for these persons according to the needs of the area.

LAY ACTIVITIES

Report of Board

To Bishop Martin and Members of the Louisiana Annual Conference:

Much progress has been made in our laymen's work this year. We want to thank the Pastors and Lay Leaders for making this possible.

Laymen's retreats were held in Monroe and New Orleans Districts with outstanding speakers and good spiritual programs. Good attendance at both retreats. Our Annual Laymen's Retreat held at Centenary College August 16-17 was well attended, much was gained by the laymen.

The Methodist Men's Clubs have sponsored Miss Anna Clark Whittaker for two semesters at Centenary College. We are proud of this achievement. This is our first year in sponsoring an essay contest for seniors of Methodist boys and girls from our high schools. Brother Glover, chairman, has done a marvelous job and we hope this will grow from year to year. Many of our Methodist Men's Clubs have been most active with a good project for their gal.

Every Member Canvass has been supported by our Board this year, and Louisiana has been recognized by the General Board for its increased giving in Louisiana.

Methodist Men's Hour has been carried over twelve Louisiana radio stations.

Our Board of Lay Activity national projects are: Sponsor the Methodist Men's Hour, share in the Methodist Men's Library at Alaska Methodist University, recruit one young person for ministry and promote Laymen's Day. Our conference projects are: 300 laymen attending our laymen's retreat at Centenary College August 15-16, 1959, greater scholarship fund, essay contest, "What I Expect of a Christian College," and promote personal evangelism.

The purpose of the Board of Lay Activities shall be to deepen the spiritual life of the lay members of the church and to cultivate among them an increasing loyalty and interest that they may become an active working force in each local church.

May God's richest blessings be upon each of us as we plan and work together.

ROBERT P. LAY
Conference Lay Leader

A MEMORIAL

To the 1960 General Conference by the Louisiana Annual Conference

Whereas: There exists a wide-spread need for a comprehensive and uniform program of life and hospitalization coverage for Methodist ministers, their dependenas and lay employees of the church

Therefore, be it resolved by the Louisiana Annual Conference, assembled at Shreveport, Louisiana, on this May 28, 1959, that we memorialize the General Conference of 1960 to authorize the General Board of Pensions to provide a plan for this purpose.

A MEMORIAL

To the 1960 General Conference by the Louisiana Annual Conference

Whereas, the General Conference of 1960 will have before it the report of the "Commission to Study the Jurisdictional Structure" of our Church, and its report will require action by the General Conference,

Therefore, be it resolved by the Louisiana Annual Conference, assembled at Shreveport, Louisiana, on this May 28, 1959, that we hereby memorialize the General Conference of 1960 to retain the Jurisdictional system of The Methodist Church.

A MEMORIAL

To the 1960 General Conference by the Louisiana Annual Conference

We recommend the following memorial to General Conference:

We recommend that Para. 439 of the 1956 Discipline be amended read as follows:

"Each jurisdiction having 500,000 church members or less shall be entitled to four bishops, and for each additional 500,000 church members or two thirds thereof shall be entitled to one additional bishop, provided, however, that in those jurisdictions where this requirement would result in there being an average of more than 70,000 square miles per episcopal area, such jurisdiction shall be entitled to four bishops for the first 400,000 church members or less and for each additional 400,000 church members or two-thirds thereof shall be entitled to one additional bishop; and provided, further, that in those jurisdictions where this requirement would result in there being an average of more than 90,000 square miles

per episcopal area, such jurisdictions shall be entitled to five bishops for the first 400,000 church members and for each additional 400,000 church members or two thirds thereof shall be entitled to one additional bishop; and provided, still, further, that the General Conference may authorize any Jurisdictional Conference to elect one or more bishops beyond the quota herein specified in order to provide episcopal supervision for mission fields outside the territory of a Jurisdictional Conference."

We further recommend to amend the 1956 Discipline of The Methodist Church by adding to paragraph 2005 (3) the following words: "and is hereby authorized according to the provisions of paragraph 8 (4) and paragraph 439 to have one bishop in addition to its membership quota in order to provide for this supervision" so that amended paragraph 2005 (3) would read:

"The South Central Jurisdictional Conference shall provide for episcopal visitation to the Latin America Central Conference and to the affiliated autonomous churches in Latin America, and is hereby authorized according to the provisions of paragraph 8 (4) and paragraph 439 to have on bishop in addition to its membership quota in order to provide for this supervision."

MINIMUM SALARY

Report of Commission

We, your Commission on Minimum Salaries, hereby express our appreciation for your support of the Minimum Salary Fund. This fund has not only rendered invaluable service to recipient pastors and charges, but also has been a vital factor in expanding the service of Methodism throughout the Louisiana Conference.

We would like to present to you the purpose of the Minimum Salary Fund. The fund is a brotherhood fund provided by the ministers and churches of the Conference. The Commission on Minimum Salaries is to study the needs for additional ministerial support within the Conference and make recommendations on how these needs will be met. In accordance with provisions of paragraph 826 of the 1956 Discipline, the Minimum Salary Fund is to be used in addition to other supplemental aid or income from other sources to bring the total family income of a minister to the minimum salary schedule for that pastor. The Commission on Minimum Salaries helps to provide a living support for those whose charges do not pay the minimum salary schedule set by the Conference. We find that as the minimum salary is advanced, the charges are challenged to raise that level.

We ardently hope that the day may come when a permanent endowment may be established through wills and legacies, so that a more adequate ministry may be provided the charges of our Conference in future years. We feel our endeavor should be to

promote more fairly and generously the economic welfare of all pastors and reduce to a minimum the tensions of inadequate incomes. Methodist people are always ready to rise to meet any legitimate appeal and we feel greatly encouraged by the response of our churches and ministers in this work of brotherly love and concern.

We greatly appreciate the able assistance rendered the commission this quadrennium by the Cabinet Representative, Dr. J. T. Harris, and we sincerely commend our faithful and competent Conference Treasurer, Rev. J. E. Hearn, for his efficient management of the funds of this commission.

We, your Commission on Minimum Salaries, wish to make the following recommendations in accordance with provisions of paragraph 826 of the 1956 Discipline of The Methodist Church:

I. PLAN OF APPORTIONMENTS FOR MINIMUM SALARY FUND:

1. That every minister in full connection with annuity claims, on trial, and all approved supplies, be assessed an amount equal to the one percent of each minister's base salary.

2. That every church pay an amount equal to one percent of its minister's base salary, or amount apportioned by the Commission on World Service and Finance.

3. That all payments be made to the Conference Treasurer with definite statement whether paid by the church or the pastor.

II. STANDARDS OF ELIGIBILITY FOR MINIMUM SALARY ASSISTANCE:

1. All members of the Annual Conference and those on trial, along with all approved supplies, shall be eligible to share in the Minimum Salary Fund.

2. A charge, at the close of each year, must increase its pastor's salary a minimum of five percent to continue to be eligible for minimum salary assistance. (Exceptions can be made for a pastoral charge, where this increase would be a real hardship, only upon the recommendation of the Cabinet.)

3. A pastor receiving minimum salary assistance is expected to do everything possible to have his charge conduct an annual every-member canvass in accordance with standards set by the Commission on Minimum Salaries and to carry out a stewardship program as proposed by the General Conference.

4. A charge must use lesson materials approved by the Methodist Church to receive minimum salary assistance.

5. To receive minimum assistance for the Conference Year of 1959-60, pastors shall have paid the required one percent for the Conference Year of 1958-59 into the Minimum Salary Fund not later than May 15, 1959.

III. THE MINIMUM SALARIES SCHEDULE:

1. There shall be a basic minimum salaries schedule for the Conference Year of 1959-60 commensurate with the cost-of-living index as follows:

A. Pastor without dependents, who serves full-time and lives on the charge, \$3,000.00.

B. A married pastor who serves full-time and lives on the charge, \$3,600.00.

C. A student pastor without dependents who does not live on the charge, \$2,400.00.

D. A married student pastor who does not live on the charge, \$3,000.00.

2. Additional grants, up to a maximum of \$400.00, shall be paid as follows:

A. \$100.00 for each dependent child.

B. \$100.00 for each additional church on a circuit.

3. These amounts shall be paid monthly on the basis of funds available at the beginning of the Conference Year and in event of insufficient funds, appropriations will be made on a pro rata basis. The commission requests the power to increase the minimum salaries appropriations if sufficient funds are available.

4. In computing minimum salaries, the total family income from all sources shall be counted as a pastor's support.

5. The maximum amount to be provided by the Commission on Minimum Salaries for a pastoral charge, will be an amount not to exceed 25 percent of both salary and expense fund paid by the charge and no charge shall share in the Minimum Salary Fund which pays less than \$2,000.00 for both salary and expense fund. Special exception to this rule may be made for new projects by a majority vote of the commission.

IV. PROCEDURE FOR RECEIVING MINIMUM SALARY ASSISTANCE:

1. As soon as feasible, after Annual Conference, the District Superintendents shall furnish a list of pastors who receive \$4,200.00, or less, to the Secretary of Minimum Salaries Commission. This information shall include the pastor's address and his total income from all church sources, with exception of minimum salary assistance.

2. Each pastor listed by the District Superintendents will be supplied an information sheet which must be properly filled out and returned to the secretary of the commission before payments may be made from this fund.

MISSIONS**Report No. 2 of Board**

Your Conference Board of Missions this year has participated in two meetings of unusual significance to the future of Louisiana Methodism:

1. A meeting of Inner-City Churches in the City of New Orleans, sponsored by the National Division. Out of this meeting has evolved an Inner-City Group Ministry Plan approved by the National Division and the Conference Board for the more effective functioning of the five Methodist Churches in the section of New Orleans from which many of our families have moved, but into which section multitudes of other families have moved who also need the evangelical witness of Methodism.

2. A meeting of the Conference Board of Missions with Bishop P. E. Martin and his cabinet, and representatives from the National Division of Missions, the World Service Commission, the Minimum Salary Commission, the Woman's Division of Christian Service, the Board of Lay Activities, and other agencies of the Louisiana Conference vitally concerned with the effective outreach of Methodism. To this meeting the District Superintendents presented the need for **twenty-six new Methodist congregations in Louisiana** through the next quadrennium. Maps were displayed showing full-time churches, part-time churches, abandoned churches, and sites for new congregations. The relationship between the Minimum Salary Commission and the Board of Missions was discussed. The request for a Methodist appointed and supported chaplain at the State Prison Farm to supplement the state's religious program was heard.

During the 1958-59 year financial assistance has been rendered by your Conference Board of Missions to 35 congregations as gifts for Church Extension, and to 27 congregations as Missionary salary supplements.

We urge that every local church (or charge) establish a functioning Commission of Missions that promotes:

1. 100% payment on World Service as the life line of Methodist missions;

2. Acceptance of Advance Specials in the four fields of second mile giving (i.e. World Missions, National Missions, Conference Missions, and M.C.O.R.);

3. Participation in a church-wide School of Missions; and

4. Distribution of missionary education material (i.e. fourth Sunday leaflets and "The World Outlook" magazine).

We call attention to challenging opportunity for Advance Special giving within the bounds of the South Central Jurisdiction thru The Thousand Club in Louisiana, the Indian Mission in Oklahoma, and the Latin American work in the Rio Grande Valley.

The need for 26 new Methodist Congregations over the next five years calls for salary assistance of approximately \$100,000, and an initial outlay of not less than \$2,600,000 to secure sites, provide parsonages, and establish first units of church plants. One third of this amount, or approximately \$1,000,000, will be needed in cash! To help meet this need we urge:

1. Organization of District Boards of Missions;

2. Renewed emphasis on The Thousand Club;

3. Encouraging church institutions with available endowment and capital investment funds to make first mortgage loans available to new congregations at mutually advantageous interest rates;

4. Encouraging established congregations who have received conditional help in years past to contribute to Church Extension amounts equal to the refunding bonds and mortgages now existing

as liens against their property, thus removing the liens and helping new congregations at the same time, and

5. Consideration of a special Conference-wide church extension effort in the 1960 quadrennium.

Your Conference Board hopes to present individual recommendations to the District Superintendents for annual salary increases by congregations receiving salary aid, over reasonable periods of time, thus making possible release of missionary funds now used for sustentation purposes.

Last, and most important of all, we record the acceptance of three of our Conference members, Rev. Ben Youngblood for mission work in Hawaii, and Rev. and Mrs. M. C. Cady for mission work in Bolivia, and urge local churches to send interested young people and Chairmen of Commissions on Missions to the summer conferences and workshops on missions at Mt. Sequoyah.

ONE THOUSAND CLUB

Report of Appropriations Committee

Calls for the \$10 payments are made of the members of the 1000 Club on each September 1, December 1, and March 1. There are no calls issued for the months of June, July and August.

With a membership of 2600 each call should product \$10,000 for the designated Conference project and \$16,000 for Church Extension in the various districts.

Since last Conference session three calls have been paid as follows: Brownsfield Church in the Baton Rouge District, \$8880; St. Luke's Church in the Shreveport District, \$9925, and Moss Bluff in the Lake Charles District, \$750. This is a total of \$28,555. The present call now being completed is for Aurora Gardens in the New Orleans District.

The total amount paid out with the completion of the present call for this quadrennium should be \$87,000. The total amount for the conference during the seven-year history of the 1000 Club is about \$157,000 and another \$125,000 for the various districts. This would give a grand total from the 1000 Club program of some \$282,000.

Allotments on the conference level have been made to 18 new churches in the seven years.

The appropriations for the next conference year for three calls and three new churches will be announced in the near future.

PENSIONS

Report of Board

We, the Board of Pensions of the Louisiana Conference, take this opportunity to thank both the laymen and the ministers for their continued interest in the welfare of our retired members and the widows and children of those who have served the church as ministers. It is only because of this interest that we are able to make this report.

We are happy to report:

First, that we will be able to pay \$57.00 (fifty-seven dollars) annuity this year to all regular conference members.

Secondly, that we will be able to pay \$40.00 (forty dollars) annuity for the local supply work.

We recommend:

1. That we request the World Service and Finance Commission to provide for the Conference Claimants Fund \$180,000.00 which amounts to approximately 14 per cent of the salaries paid to ministers and associate ministers in this conference last year.

2. That the one per cent assessment of the pastors' salaries shall be paid by all pastors, associate pastors, local supplies, receiving appointments within this conference, who shall become claimants on this board.

3. That this board shall be granted the right to continue its policy of investing surplus funds to earn interest to be distributed in our regular and accepted manner.

4. That the Sunday before Thanksgiving be designated Retired Minister's Sunday.

5. We wish to express our thanks to the General Board for the study that has been made concerning the probable retirements within our conference for the next thirty years and for the splendid assistance this Board has given in helping us to constantly improve our pension program.

We wish further to call the attention of the members of the conference to paragraph 1624 of the Discipline which makes the pastor responsible for seeing that his charge pay into the pension fund an amount "exactly proportionate to payments made on the salary or salaries of the minister or ministers serving it." According to the law of the church, defaults in the payments made of either this apportionment or the one per cent assessment must be reported to the General Board Clearing House, and such a default either by the minister or the church which he serves shall constitute a lien on his pension at the time he retires.

We believe that everyone who understands the need of these

funds for the livelihood of those who have labored before us will gladly see that all payments are made in full.

BOARD OF PENSIONS

A Resolution

Whereas, the widow of the late Dr. Thomas Carter was left without pension provisions due to the connectional service of her husband,

And whereas, Dr. Thomas Carter was for many years an honored member of this Conference, serving in our institutions of learning without pension provisions and was located in 1916 (by his request) after the change in relationships of Vanderbilt University, of which he was an instructor,

We, the Board of Pensions of the Louisiana Conference, therefore request that the Louisiana Conference authorize your Board of Pensions to grant her claims, based on Disciplinary rule, Paragraph 1620, Section 4, of the 1956 Discipline:

"The widow of a deceased minister whose conference membership was terminated under the provision of Paragraph 374 (by his own request) shall have the right to make an annuity claim based on her approved years of service. Provided, however, that such claims must be approved, on recommendation of the Conference Board of Pensions, by a two-thirds vote of those present and voting in the Annual Conference."

PUBLIC RELATIONS

Report of Commission

We recommend that a program of Public Relations be set up in the local churches in the conference in cooperation with Methodist Information and the Louisiana Methodist.

1. We request that each local church elect a person at its first Quarterly Conference to serve as Director of Public Relations for the local church.

2. We request District Committees on Public Relations composed of the local church directors and such other persons as may be desired, be organized, and that their chairmen become ex-officio members of the Conference Commission on Public Relations.

3. We suggest that workshops on Public Relations be held in each district in the conference; that a committee composed of Rev. Earl B. Emmerich, Rev. Jack Cooke, and Rev. Clyde Frazer be designated to cooperate with the Area Director of Methodist Information and the editor of the Louisiana Methodist in organizing the workshop; that the following schedule be set for this conference year:

Baton Rouge District Workshop on Public Relations, Sept. 21, 1959.

Alexandria District Workshop on Public Relations, Sept. 22, 1959.

Lake Charles District Workshop on Public Relations, Sept. 28, 1959.

We welcome Miss Jo Ann Newby as our new director of Methodist Information. We wish to thank Mrs. Jeanne Mason Smith for her leadership in the past year. We wish to express our appreciation to the General Commission on Methodist Information for their financial support of our Arkansas-Louisiana Area Methodist Information program.

We call attention to the continued growth in circulation of the Louisiana Methodist, which reflects the splendid editorial and news content under the able leadership of Dr. Ewing T. Wayland.

In view of the possibility that Arkansas and Louisiana may become separate Episcopal areas, it is strongly recommended that the joint committee on the Arkansas-Louisiana Methodist and Methodist Information be assured of our enthusiastic desire to continue indefinitely our present relationship to our conference newspaper and to Methodist Information.

Our Methodist families are encouraged to take advantage of the splendid material in our church-wide magazine "Together." Attention is also called to "Together's" annual selection of the Methodist family of the year.

Report of Joint Commission of the Arkansas Methodist and Louisiana Methodist

The joint Commission of the ARKANSAS METHODIST and the LOUISIANA METHODIST met at the First Methodist Church, Little Rock, February 19, 1959, 12:15 P. M., with Dr. Aubrey G. Walton,

Chairman, presiding. Those present included Dr. Aubrey G. Walton, O. C. Landers, E. Vernon Markham, Arthur Terry, R. R. Branton, C. O. Holland, Virgil D. Morris, W. Henry Goodloe, William Hightower, J. G. Moore, Joe S. Pierce, Miss Jo Ann Newby, and Ewing T. Wayland. Guests included staff members of the publications.

After discussion of various matters of business, the Commission voted to make the following recommendations to the three Annual Conferences in the Area.

(1) That the circulation campaign for 1960 be January 10-17 and that the same general plan of circulation that has been used be employed.

(2) That the campaign goal for 1960 be 40,000 for the combined publications with a quota for each charge of one subscription for each 9 members.

(3) That the subscription price for both publications be continued at \$2.00, provided that the church which sends in a subscription list represents one-third of the membership of that church as reported in the last conference journal be given a special rate of \$1.50.

(4) That the Little Rock, Louisiana and North Arkansas Conferences' Commissions on World Service be requested to apportion the same amounts for the Arkansas Methodist and the Louisiana Methodist as was apportioned the past year.

(5) That the sincere appreciation of this commission be expressed to those who have contributed in various ways to the publications during the past year.

(6) That the back page arrangement be continued on the same basis as at present.

(7) That Rev. Ewing T. Wayland be appointed as editor and business manager of the Arkansas Methodist and The Louisiana Methodist.

(8) That Miss Jo Ann Newby be continued as director of the Methodist Information for the Arkansas-Louisiana Area.

(9) That the executive committee be authorized to act for the commission in such matters which in its judgement may need action between now and the next meeting of the commission.

AUBREY G. WALTON, Chairman
JOEL COOPER, Secretary

A RESOLUTION

Pre-Conference Reports

We recommend that the Interboard Council introduce a resolution to the Annual Conference, at its next session, requiring all boards, commissions, and committees to prepare reports, resolutions,

and recommendations to be presented to the Annual Conference and send them to the Conference Secretary sixty (60) days before the opening date of the Annual Conference. We request that the Conference Secretary compile and mimeograph these reports in time to mail two copies to each minister thirty days before Conference convenes. (One for the pastor and one for the lay delegate to the Annual Conference.)

Exceptions to this rule would be all reports concerning finance and financial allocations, such as those given by the Statistician and Treasurer, the appropriations of the Board of Missions, also those concerning Ministerial Training, Conference Relations, Ministerial Qualifications, and reports of the Committee on Journal and Resolutions.

We further recommend that any supplementary report or amendments from the Boards or Commissions must be required to be mimeographed or printed, and handed to delegates before the presentation of the particular report to the conference floor.

We recommend further that the Annual Conference be requested to set up a commission to study and recommend a program and organization for the Annual Conference.

A RESOLUTION

Regarding Bishop and Mrs. Paul E. Martin

For sixteen years the Arkansas-Louisiana area of The Methodist Church has been blessed by having as our Episcopal leader, Bishop Paul E. Martin. He and Mrs. Martin have endeared themselves to both preachers and lay people throughout the Louisiana Annual Conference. Bishop Martin has exercised wise direction, genuine interest, and brotherly love in his dealings with both individuals and groups, he has travelled the length and breadth of our Conference visiting small churches as well as large, and he has led our Conference during a period of unprecedented growth and expansion, giving inspiration to all of us.

This is the last regular session of the Louisiana Annual Conference before the 1960 meeting of the General Conference, to be followed shortly by the meeting of the Jurisdictional Conference, at which time the Bishops will be assigned to the various Episcopal Areas. There is a great possibility that the Louisiana Annual Conference will be constituted as an Episcopal Area separate from Arkansas next quadrennium. Whether as a separate area or continuing as a part of the present area composed of Arkansas and Louisiana. We of the Louisiana Annual Conference would heartily welcome the continuation of the assignment of Bishop Paul E. Martin as our presiding Bishop.

Therefore, be it resolved that the Louisiana Annual Conference, in regular session, this 29th day of May, 1959, respectfully and ur-

gently petition the Committee on Episcopacy of the South Central Jurisdictional Conference to reassign Bishop Paul E. Martin to serve as presiding Bishop of the Louisiana Annual Conference either as a part of the Arkansas-Louisiana Area or as a separate area of its own.

JAMES T. HARRIS,

For the Cabinet

A RESOLUTION

Seashore Methodist Assembly Property

WHEREAS the Seashore Methodist Assembly, at Biloxi, Mississippi, owned by three Annual Conferences, Mississippi, Louisiana, and Alabama-West Florida, has again sold land to the School Board, for which the sum of \$90,000, less attorney's fees has been received

WHEREAS, the Trustees of this Assembly want to put this money into a Motel, on the Assembly grounds

WHEREAS all the money originally raised in Louisiana for this Assembly came from the New Orleans District, the Louisiana share of this money should be expended in ways that are satisfactory to the New Orleans District, as well as to the Louisiana Annual Conference

THEREFORE, be it resolved that the Louisiana Annual Conference of the Methodist Church, South Central Jurisdiction, respectfully request the Trustees of the Seashore Methodist Assembly to issue checks from the proceeds of this land sale, as follows:

\$20,000 to the Treasurer of the Istrouma Methodist Camp, jointly owned by the Baton Rouge and New Orleans Districts, to be used solely for improvements to the Camp

The balance of the Louisiana share of this sale, to the Treasurer of the Wesley Foundation in New Orleans, which serves the Tulane University-Newcomb College campus, to be used solely for improvements to the property at 1030 Audubon Street, in New Orleans, which is the Wesley Foundation building.

BE IT FURTHER RESOLVED, that any previous action of this Louisiana Annual Conference, which might be constructed as in conflict with the intent and purpose of this Resolution, be hereby rescinded.

RESOLUTIONS

Report of Committee

The Apostle Paul was not one to forget the hospitality extended to him personally and the welcome given to the gospel in the churches of Greece and Asia Minor. His letters abound with words of gratitude for messages of comfort, gifts, and demonstrations of

concern for his well-being while he was missionary and overseer of the churches found expression in Romans 12, where he advises the Christians to "practice hospitality". In like manner, we would paraphrase the words of Paul to the churches and say:

"The members of the Louisiana Annual Conference, in session May 26 to 29, in the year of our Lord, Nineteen Hundred Fifty-nine, to all the saints in Christ Jesus who are in the Shreveport Churches: Grace to you and peace from God our Father and the Lord Jesus Christ."

"We thank God in all our remembrance of you, for your labor of love in our behalf during these sessions. We rejoice with you in the way over which you have come, in the beauty of your temples, and in the enlarging opportunities for service which are yours as a people. Whenever you come together to praise God in your sanctuaries, remember us in our fields of labor, and we shall remember you.

"For their kind remembrance of those who have labored for the Lord, we thank the Publishing House.

To the church that is in Hawaii we commend our brother Ben Youngblood; to our church in Brazil we commend our brother, M. C. Cady, sister Rosemary Cady, and their daughter.

Salute Joe Mickle, your college president, and Leonard Cooke, your vice president who have rightly administered the work among you and, who with all the college force, has spared no efforts in our behalf. They have remembered us in everything, and we have lacked nothing. We thank God with you for these faithful ministers in Jesus Christ, who, before we came to you, made known to us your love in the spirit.

Salute the other Christians in the Shreveport Churches, their pastors and singers and workers, and our fellow saints who shared in your labors for our comfort.

We know you are not ignorant of the labors put forth by many of our own fellow workers who came to you, especially the Committee on Conference Program, the staff of secretaries, our tellers, treasurers, statisticians, and publicists, the visiting apostles, such as Bishop Marvin A. Franklin, for his evangelistic messages, Dr. and Mrs. R. H. Chappell, for their witness of the spirit.

And now concerning our chief Presbyter, Paul E. Martin. We know that you share our joy in his presence among us and his performance in the noble office of Bishop. He comes to us always in love and stirs up the gifts of God within us. He is not, like so many, a peddler of God's word, but a man of sincerity, commissioned by God, who by his meditations each morning and his gentle instructions through the day has set our hope more firmly on the living God.

Finally, Brethren and Sisters, we would have you call to mind that the head of the church is Christ. So let us all be subject to Him, in whom the whole body is constituted and made alive, and through who we are all joined together.

The grace of our Lord Jesus Christ be with you."

RETIRED MINISTERS HOMES BOARD, INC.

Report of Board

June 1, 1958—May 23, 1959

The Conference year just closing has in many ways been the most successful year of our work since we began in 1953. We have

been greatly encouraged in many ways, which we will mention later. However, there has been one thing which we are not so happy about and that is the *decrease* in participation on the part of the churches throughout the conference.

ONLY ONE HUNDRED AND FIFTY-SEVEN churches have taken part in the work this year against 189 last year. Of these 157 churches only 111 of them took public offerings. The difference in the cash received was, 1957-58, \$10,524.00 and to date this closing year only \$8,527.74 which is about \$2,000.00 under the previous year. This is about what a lot will cost us for our next home.

	<i>Amount</i>
<i>THE RECEIPTS for this year just closing are as follows:</i>	
Number of CHURCHES TAKING OFFERING... 111	\$4,348.24
Number of GROUPS sending in Offering 19	804.50
Number of INDIVIDUALS sending in Offering.. 241	3,375.00
<hr/>	
TOTAL Number CHURCHES represented in this 157	\$8,527.74
TOTAL Number CHURCHES in Conference.... 472	
<i>SPECIAL GIFTS from Shreveport District Contributors:</i>	
R. T. Moore Estate	\$10,084.72
Personal Friend	3,000.00
Miss Rosa Mixer, Boardmoor Church	10,000.00
<hr/>	
TOTAL RECEIPTS FOR 1958-59	\$31,612.46

TO OUR REGRET a number of churches, who have made offerings in the past, changed pastors in the last year or two and this year their names are missing from the list of supporters of the project. WE FIND THAT THE PEOPLE ARE READY to give to this work if THE PASTOR WILL GIVE THEM A CHANCE AND SAY A WORD OR TWO OF ENDORSEMENT.

We do hope that this coming Conference year EVERY PASTOR will recognize that this is A CONFERENCE PROJECT and will see to it that it is incorporated into the local church program. To make a success of providing homes for our retired ministers WE MUST sell at least 1500 SHARES, \$15,000.00 is what we need each year in order to buy the lots and build the homes. We sold 1005 in 1957-58 and 850 last year so let's sell 1500 this year. IT CAN BE DONE.

WE REJOICE AND GIVE THANKS TO GOD for those who made large gifts this past year. We received \$3,000.00 to add to the gift of \$7,000.00 of last year from a very personal friend. This will be used for the building of another home next to the one in Shreveport in the spring of 1960. This home will be used as a STATE HEADQUARTERS for our Board. We received a gift of \$10,000.00 from Miss Rosa Mixer, of Boardmoor Church, Shreveport, to us used in building a home either in Alexandria or Pineville as a memorial

to her father and mother, MR. CHARLES MIXER and wife MARY ANN ROBINETT MIXER. We also received our portion of the late Randell T. Moore Estate which amounted to \$10,084.72, which will be held in trust for the building of the apartment in Ruston for ministerial widows and widowers.

With the WHOLEHEARTED COOPERATION of our PASTORS and PEOPLE we can raise enough in the fall of 1959 to be ready to build a home in the Lafayette District, which District is next in line according to the per capita plan.

I want to express my thanks to the Church in Logansport for allowing me to take so much of my time in promoting this work. I have traveled more than 9000 miles and have presented the work to all eight District Conferences. I have circulated more than 100,000 pieces of literature through the mail. I have made 12 trips to Shreveport in the interest of the home just finished. Two trips to Monroe to check with the Treasurer. I want to express my thanks for the fine way in which Mr. John is handling our funds. All money is on deposit where it can draw interest and is insured.

To the Bishop, the District Superintendents, the ladies of Mangum Memorial and Trinity Church who helped in providing refreshments for the open house, and to all others who have helped carry the load this past year I say *thanks and God bless you.*

Respectfully,

JAMES B. GRAMBLING, Chairman
Board of Managers

RETIRED MINISTERS HOMES BOARD, INC.

Recommendations for 1959-60

That the month of November be continued as Retired Ministers Homes month throughout the Conference.

That it shall be the duty of the District Superintendents and the local pastors to bring this project to the attention of their Districts and the congregations under their care, *as a Conference Project*, which can be reported in the statistical tables as a Conference Advance Special.

We suggest the following ways the pastor can cooperate—

1. By circulating the literature furnished them by the Retired Ministers Homes Board and explain the objectives of the Annual Conference to his congregations, before the offering is taken.

2. By taking a congregational offering during November. More and more November is becoming the month for this project, let's make 100 per cent.

3. By offering the congregation and various groups within the local church an opportunity to purchase interest shares as individuals or as groups at \$10.00 per share.

4. By setting as the local church goal the purchase of interest shares at \$10.00 per share totaling an amount equal to 25¢ per local church member, *OR*

5. By placing an amount in the Local Church Budget for this project equal to 25¢ per member. One share will be issued for every \$10.00.

By urging people to include the Retired Ministers Homes Board, Inc., in their will or to give a home in honor or in memory of someone.

We covet the continued wholehearted support of the Bishop and every member of his Cabinet in projecting this program into every local church within the Conference.

We ask the Conference to authorize the Conference Secretary to include our financial report in the printed Journal.

We urge that in the future the pastors report all collections for this work in the line provided in the statistical tables known as Conference Advance Special.

We ask our pastors to please call attention to the fact that our Board is a Chartered Organization and incorporated in the State of Louisiana. Its objective is to raise money with which to build homes for our retired ministers. Our present goal is to build one home in each District, following the percapita per member plan, unless special gifts are received with a directive to build in a specific District. These houses are so planned, constructed and located as to adequately and comfortably care for our retired ministers. One other goal of the Board is to secure several large contributions with which to build a larger home in Ruston consisting of several one- and two-room apartments to house many of our ministerial widows and widowers who may desire living close to other friends of the ministry. We now have \$10,084.72 in this fund and will need about \$30,000.00.

We recommend the election of the following members to the Board of Managers, term to expire 1962: Mr. J. R. Russell, Shreveport; Two ministers at large: Rev. George Pierce, Jr., and Rev. James B. Grambling.

Respectfully submitted,

JAMES B. GRAMBLING, Chairman
J. R. RUSSELL, Secretary

SOCIAL AND ECONOMIC RELATIONS**Report of Board**

This past year the Board of Social and Economic Relations has conducted as its major project a series of three Labor-Management-Church Seminars. The seminars were held in Cedar Grove Methodist Church, Shreveport, under the chairmanship of Rev. Roy Mouser; Broadmoor Methodist Church, Baton Rouge, under the chairmanship of Rev. James Phillip Woodland; and in First Methodist Church, Lake Charles, under the chairmanship of Mr. Claudius Mayo. Rev. Emerson Smith of the General Board was the resource leader. The seminars provided an opportunity for leaders of labor, management and the church to gain a better understanding of the human factors in modern industrial and economic problems, and to see the responsibility of the church and its members for these problems. We feel that this has been almost worthwhile and successful project to all who participated in it.

The program of this board for the conference year 1959-1960 includes the following projects:

1. To encourage attendance at the South-Central Jurisdictional and Regional Briefing Conferences on Christian Social Relations July 28-31, at Mount Sequoyah. Two members of this board attended last year and found the conference offering many practical suggestions relating to the work of this board. Through the gifts of Mr. C. O. Holland, two scholarships have been provided, enabling two

members of this board to attend this summer's briefing conference.

2. To encourage attendance at the Conference on Human Relations to be held the last of August at Southern Methodist University, Dallas, Texas.

3. To continue the labor-management-church seminars, holding such seminars at other cities, and inviting the Rev. Emerson Smith, Associate Secretary of the General Board of Economic and Social Relations, to serve as resource person for these seminars.

4. To serve as a resource agency for local church commissions on Christian Social Relations, giving guidance for possible programs and projects, and providing suggestions of material, literature, and audio-visual aids.

STEWARDSHIP Report of Commission

The focal point toward which every effort of the Commission on Stewardship has been directed can best be described in the words of Christ: "Where your treasure is, there will your heart be also." Through the devoted leadership of the Conference Director, Karl Tooke, we have sought in varied ways to touch the hearts of Louisiana Methodists for the cause of Christ.

The work of the Local Church Commission on Stewardship has been lifted up before the churches; printed materials have been made available, visual aids distributed and the Director has met with local Commissions to give them guidance and inspiration for their work.

The program of Lay Activities has been given a place of primary importance in the financial program of the local church. Consecrated laymen have been inspired to lead their fellow church members into a high concept of stewardship as a way of life involving the dedication of time, talents and treasure.

Two needed emphases have been included in the program of stewardship. First, tithing has been given first place in the entire program, being presented with the full authority of the Scriptures and by official action of the Methodist Church as the minimum standard of giving for all Methodists. A second emphasis has been the training of children and youth in Christian stewardship practices.

The program of the Every Member Canvass has provided opportunity for an annual series of workshops on Conference, District and Sub-District levels. In these groups more than 25,000 men and women have been given special training in Christian Stewardship and its promotion. The result has been a remarkable growth in

the spiritual lives of individuals and churches, and a gain in annual pledges of 72.92 per cent, or \$2,464,177.

In view of the results obtained through the faithful use of the Every Member Canvass, we reaffirm our recommendation that such agencies as the Conference Board of Missions and Church Extension and the Conference Commission on Minimum Salary consider making grants to established churches only after such churches have conducted a thorough Every Member Canvass.

We commend the Rev. Karl Tooke for his able and dedicated leadership as Conference Director of Stewardship. In his diligent efforts to answer every call and meet every need over the entire Conference, he has given a personal witness to the stewardship of time and talent, as well as treasure. We anticipate his guidance in the coming year, that we may attain record goals for Christ and His Church as we complete the quadrennium.

Respectfully submitted,
D. L. McGUIRE, Chairman

TEMPERANCE Report of Board

We, your Conference Board of Temperance, report a year of progress. In addition to our regular program, several significant additions were made this past year.

The year got off to a good start when all but two of the eight district secretaries and three officers of the board were able to attend the Regional Briefing Conference at Mt. Sequoyah, July 8-11, 1958. This year we hope that all of the district secretaries will be able to attend this conference.

A change in policy was made concerning the Youth School on Alcohol Studies. In past years our board has sent the winner of the Essay-Speech Contest to this school. This past year we sent, at board expense, the young person in charge of the Citizenship Program Area on the State MYF Council. This was most helpful in correlating the temperance program with the youth work of our conference.

One of the important additions to this year's program were the Fall Seminars held in Ruston, Alexandria, Crowley, and Hammond, October 28-31, 1958. Rev. Tom Shipp of Dallas, Texas, was secured to lead the seminars. The subject was "The Church's Ministry to the Problem Drinker." The quality of work done was very gratifying. Another series of four one-day seminars to approach the alcohol problem from the family viewpoint are planned for this fall. Efforts are being made to secure Dr. Floyd Feely, from Candler School of Theology, to lead the seminars. The seminars will be held the week of October 26, in Shreveport, Monroe, Lake Charles, and New Orleans.

The mid-year planning session inaugurated last year has become an indispensable part of our board's program. The session is planned for Alexandria, February 19, 1960.

The Essay-Speech Contest, long sponsored by this board, did not have as wide a participation as in previous years. However, the quality of work done by the young people who did enter was exceptionally high. Miss DarLynn Gilbert, of the McGuire Methodist Church, Monroe, was the first place winner. Plans are being made to encourage increased participation in next year's contest on the subject: "Alcohol and Traffic Safety." The dates are: Local church

contest, January 17-31, 1960; district contest, February 7-21, 1960; state finals, February 27, 1960.

In conjunction with the State MYF Council and Miss Louise Sharp, a Conference Director of Youth Work, this board planned and sponsored a week-end Youth Seminar on Alcohol Studies at First Methodist Church, Alexandria, Louisiana, April 3, 4 and 5, 1959. The young people were high in their praise of this seminar. (Plans for the coming year are another week-end seminar at a church campsite sometime in the spring of 1960.

We urge each pastor to plan thoroughly and effectively for the observance of Commitment Sunday, December 6, 1959, ordering the materials furnished by the General Board of Temperance well in advance of this date.

We commend the Louisiana Moral and Civic Foundation, its Executive Director, Dr. W. Earl Hotalen, and his staff, for their cooperation during the past year. We recommend Dr. Hotalen's reappointment. We renew our request that District Superintendents, pastors and the laity of every church take appropriate action for budgeting twenty-five cents per member each year for the support of its work, paying this preferably in monthly installments through the conference treasurer. We also strongly endorse the \$200,000.00 Building Fund Campaign of the Louisiana Moral and Civic Foundation, and ask that all our churches provide in their budgets their fair share of \$1.00 per resident member, payable by the end of the conference year 1961.

TELEVISION, RADIO, AND FILM Report of Commission

The Apostle Paul said, "I have become all things to all men that by some means I might be able to win some." Today the Church must use every legitimate means at her disposal to evangelize the world. Since the days of the ancient Apostle, great and wondrous media have been developed by which communication to the masses is made possible.

The Television, Radio and Film Commission of your Conference takes cognizance of these vast media and urges the Church to make use of them to the fullest extent.

1. The audio-visual aids available to the churches are excellent and innumerable. A church today without visual aid equipment is not fully equipped for teaching.

We especially urge the fullest use of the new series, "The Bishops Speak," be made by every church. The films may be had from the office of the Executive Secretary of the Board of Education, as may many other excellent visual materials.

2. The radio is still the medium which touches great and unbelievable numbers of people. We urge every church, where at all possible, to use this medium to broadcast the word of God.

3. The newest and perhaps most fascinating of the media for mass communication is the television.

The Church has recognized the great possibility of this medium as a vehicle for mass communication of the Gospel. Our nationwide organization which deals with this medium operates under the trade-name of "Traffco." We have already discovered that this is a field of expensive and highly skilled operation. We have discovered further that if we can meet the expenses, we can produce the skills.

The series of television shows produced by Traffco called "The Way" had a great showing across the television markets of our country. The new series, "Talk-Back," is now being carried by some 75 outlets in America. This series has a new and interesting format that encourages people to help solve their own religious problems in the light of the Gospel of Christ. This series was started in New Orleans but programming schedules became confused and it has been taken off the air. At present it is being presented by KNOE-TV in Monroe. A second series of thirteen "Talk Back" programs is

currently being prepared. We urge every community where there is a television station to market this film as soon as possible. We extend our appreciation to Miss Joan Newby of Methodist Information for her help in marketing this film.

A new children's series presently being prepared has been delayed because of the tragic death of Bill Meadows, R. T. Walton, and Roger Woodburn, three of the members of Traffco's staff, as they were arriving in New York by plane to finish up details on this series. This tragedy is a great loss to Methodism.

We extend our deep sympathy to Traffco and the families of these men.

We urgently recommend that every Church accept and pay the full asking for the Television, Radio and Film Commission.

TOWN AND COUNTRY COMMISSION

Report of Commission

The Town and Country Commission cooperated with the Baton Rouge District Superintendent, Reverend D. W. Poole, in sponsoring a series of conferences for small churches. Dr. James Sells was the resource leader in five meetings with twenty churches participating.

We commend the Conference Board of Education for bringing Miss Sue B. Mann, of Texas, to our Conference for eight training schools in the Ruston, Monroe, and Alexandria districts. In these schools 182 members of thirteen small churches enrolled and 110 credits were issued.

We commend the Shreveport District, under the leadership of Dr. Jolly Harper, for establishing the De Soto Larger Parish. Through cooperative programs of this sort, Methodist churches of an area can use their combined resources to meet the needs of all.

We are looking forward to the National Quadrennial Town and Country Conference in Wichita, Kansas, July 21-24. Delegations from each district are being set up through which the inspiration and information of the conference will be brought back to our local churches.

We urge our churches to cooperate with CROP, the Christian Rural Overseas Program, to the fullest extent possible. We recommend that Rev. Rex Squires serve as official representative of our Conference on the Mid-South CROP Executive Committee.

We commend the Methodist Rural Fellowship to our ministers and laymen. Reverend K. K. Carithers is Membership Secretary of the Fellowship in our Conference.

We recommend that all our churches observe the Harvest Fes-

tival in the fall and Rural Life Sunday on April 24, 1960.

Attached is a copy of the report of the Treasurer of the Commission.

We recommend the appointment of Reverend John H. Sewell as Secretary of Town and Country Work for the coming year.

VOCATIONS Report of Commission

We, your Conference Commission on Christian Vocations, wish to commend Rev. Jim McLean, Director of Student Work on Centenary campus, and his co-workers for securing during the fall registration the names of seventy-three students. Each student had expressed an interest in some type of church vocation. We are grateful to the directors of our Wesley Foundations on State college campuses, and to those ministers of our Conference who have sent us names of youth who have expressed a desire for more information on vocations within the Church. In every instance each youth has been contacted by our Commission, and the desired information supplied.

A concerted effort is being made by your Commission Chairman to keep an accurate and up-to-date record on every youth who has expressed an interest in a church vocation. This has been a time-consuming task, and has grown to such proportions we will hire part-time secretarial help for the job. This record, in file form, will be placed in the office of the Executive Secretary of the Board of Education, where it will be more accessible to those persons who are working in the field of recruitment.

All eight Districts of our Conference have had this year a project to elicit and stimulate interest in church vocations. Seven Districts had career clinics; the other District a guided missions

tour. These projects involved 189 youth. 28 church related vocations were described; and 32 commitment cards were signed. Your Commission offered each District \$75.00 for use in the promotion of its recruitment program.

We propose this new conference year to have a pilot vocational testing program on the order of that being conducted each summer at Emory University. Just as soon as the qualified personnel and a suitable place and the details of the project can be worked out, its dates will be announced.

Your Commission has met three times this year to discuss its work and to plan a more effective program. We were fortunate in having Dr. Marcus Birrell, Executive Secretary of the Interboard Committee on Christian Vocations, present in one of our meetings. Dr. Birrell was also one of the resource persons for the Monroe District Career Clinic.

For some time there has been a growing awareness of a great need for more trained workers in the various capacities in the local church. Many churches in our Conference have been seeking, without success, for Directors of Christian Education, more effective leadership in the field of music, and for church secretaries who have greater knowledge of the church work and program. Few of our churches are financially able to employ persons with graduate degrees in these fields, even if the persons were available. In view of these facts, your Commission made a survey of the entire Conference with reference to the desirability of providing a more thorough training in these three areas in our own church college. 182 ministers responded to the inquiry. With only one exception, all expressed keen interest in such a proposal. Twenty-six members of the Commission on Higher Education have also expressed their approval of the proposition. In the light of this response, your Commission submits the appended resolution for Conference action.

CHRISTIAN VOCATIONS **A Resolution**

Whereas, Centenary College can more effectively serve the Louisiana Annual Conference of the Methodist Church by offering a major in the field of Religious Education, therefore, be it

Resolved, That this Annual Conference in session this 29th day of May, 1959, respectfully petition the Curriculum Committee of Centenary College to offer a major in this subject and to include

additional courses of study as soon as possible in this area. Courses in the following three fields are recommended:

1. Christian Education
2. Church Music
3. Church Secretarial Work.

WESLEY FOUNDATION PROGRAM

A Resolution

During the last eight years our student responsibility has increased more than 100 per cent. Our appropriation from the Annual Conference has remained the same.

We need a financial program that equalizes responsibility and provides adequate support for the work, looking forward to the tremendous increase in enrollment which must come over the next few years.

To meet this need the Cabinet has adopted the following resolution:

—That an objective for Wesley Foundation operation be set up for \$1.00 per member per year for the next Quadrennium, beside what is paid to world service.

—That this be handled on a District level, and be shifted to a conference level as soon as it is feasible.

—That the \$5.00 plan be eliminated as soon as each Church gets to \$1.00 per member, with the exception of those Churches out of state.

—A committee be appointed by the Board of Education to work out the details in administration of the program.

WOMAN'S SOCIETY OF CHRISTIAN SERVICE

The 19th Annual Report

As the first year of my office as President of the Woman's Society of Christian Service of the Louisiana Conference draws to a close, I find one of the most rewarding experiences of that time has been the knowledge that the Methodist Church in Louisiana expects the Woman's Society to serve the total Church in its total program and shows this by including, not only the president, but other offices and secretaries as members of various boards and commissions by virtue of their offices. This fact of inclusion is most helpful, and we do thank the Louisiana Conference for this.

Realizing the need for closer cooperation, the Woman's Division suggested to the Conference Woman's Societies that the Conference

Director of Youth Work be made a member ex officio of the Woman's Society Executive Committee. We took such action and we are grateful to the Conference Director of Youth Work, Miss Louise Sharp, for the help she has been as a member of the Executive Committee and, particularly, as a member of a Standing Committee, Cooperative Lines of Youth Work, which was set up with its membership comprising, in addition to the Conference Secretary, the Secretaries of Youth and Student Work and Missionary Personnel.

One of the definite plans of this committee is to encourage each district in the conference to have a youth representative at the Jurisdictional Board of Missions at Mount Sequoyah in August. Last year our conference had four delegates to this. This year we hope, with the leadership of the District Superintendents, we can have eight young people present.

One of the young women from Shreveport who attended last year, Miss Marjorie Graham, a trained nurse, will leave in September for Scarritt College, where after four months of study and training she is to be sent to Bolivia under the Board of Missions.

We believe the attendance at the Jurisdictional Board of Missions is a step in challenging our youth to serve our great Church in its deep concern for all facets of life and its needs.

During the past year, the Woman's Society felt the need for directives for tour groups planning to visit our institutions and projects within the Louisiana Conference. A committee was formed. Cooperative in membership, it included the Board of Education, representatives from our pieces of work and the Woman's Society of Christian Service. A booklet has been published which gives a brief descriptive statement concerning each institution of the Woman's Division, the Church, and points of interest, and the procedure to follow in planning tours to these places. The Board of Education and the Tour Committee are hopeful this will make tours more meaningful to those visiting and to the institutions visited.

The Tour Committee is making plans for a tour for youth next summer, possibly on a conference-wide basis, into some section of the Church other than our own. Recruitment is the great need of our Church and we're hopeful that such tours will be a means of creating an interest to serve in church-related vocations.

In another cooperative effort, our Conference and District Secretaries of Missionary Personnel serve as members of the planning groups of Christian Career Clinics. They are willing and eager to serve the Church in any way possible to set up challenging Christian Career Clinics, which if carried through effectively, is certainly another step in the recruitment program.

The Conference Secretary of Missionary Personnel is working closely with the Conference Commission on Christian Vocations in

setting up files on names of those young people who have indicated an interest in church-related vocations. These files will be kept in the office of the Conference Director of Youth.

We are happy to report Dr. Vela Cleveland, who was commissioned last year, is working in one of the Woman's Division hospitals in Kolar, India.

Miss Margaret Wade Campbell, who was also commissioned last year, is at work at Centro MacDonell, Durango, Mexico. Recently, she wrote, "The children of the day care center are very proud of their daytime home and justly so. The number of children here in Durango who take care of themselves, entertain themselves, and feed themselves during the day while their mothers work is appalling. We dream of the day when, with the new building, we will be able to increase the capacity of the day care center—take care of perhaps three or four times the children which we can care for now. The streets are very narrow, but very busy thoroughfares that are always crowded with children playing at the innumerable games that children invent. A motorist's first care is always for the children (even toddlers at play)."

This year Miss Harriet Russell, a member of the Wesleyan Service Guild, having retired, is now working for the Woman's Division in Mobile County, Alabama.

We have had one short-term worker go out from Louisiana this year, Miss Carrie Lena Myrick, from Jamestown, Louisiana.

We are grateful for the work and the lives of these and others from Louisiana who serve, but we are challenged over and over for the need for more trained and skilled workers. Recently, one of our own retired missionaries at age 71 moved into Wesley Community Center in Fort Worth to fill a vacancy caused by the death of a kindergarten teacher, for whom there was no available replacement. We trust and pray that through this cooperative emphasis on recruitment we may soon in some small measure help fill some of these needs.

All phases of our work have shown progress and for this we are grateful. The Louisiana Conference pledged \$104,000 to the Woman's Division and paid \$118,980.77 on that pledge to the Division. Cash for Supply Work from the Woman's Society and the Guild was more than the same period last year as was the Week of Prayer offering.

We have in Louisiana 335 societies, with a membership of 13,998. We still have 26 unorganized churches, and with the help of the District Superintendents we trust we may be able to have a much lower figure for unorganized churches in this coming year.

Under the capable leadership of Miss Sue Batton, growing interest and expanding vision in Guild work has been shown this year through increased giving and attendance at meetings.

The Wesleyan Service Guild now has a membership of 2,014. Ten new Guilds were organized in 1958-1959, and the Lake Charles District reorganized. One hundred per cent reporting with definite activities in lines of work indicate development and deeper understanding of the purposes of the Wesleyan Service Guild. The pledge of \$14,375 has been overpaid. There has been a growth in all phases of the Guild work, but the outstanding achievement this year is the increased interest in missions. Most of the promotion of the work of the Guild is through the Guild Times, a paper owned and edited quarterly by the Conference—Miss Elizabeth Langford, editor.

The Spring Conference Annual Meeting in Baton Rouge, in March, was the largest in history with 280 registered and over three hundred in attendance at the meeting. Guild Weekend at Camp Brewer was overcrowded with 157 registered. Guild work in Louisiana is on the march.

The Woman's Society of Christian Service and Wesleyan Service Guild had 332 enrolled, with 307 credits given, at the School of Missions held in August. At our District Seminar held in September we had 1,077 women attending. Our Annual Meeting, held in March at Baton Rouge First Methodist Church, was very worth while from the standpoint of inspiration gained and the fellowship enjoyed there. This, too, was well attended.

Six members of the Executive Committee attended the meeting of the South Central Jurisdiction Woman's Society of Christian Service and remained for the convocation which followed. This gave us a new vision of our tasks in the local church.

Our institutions are meeting new and challenging needs. MacDonell Methodist Center, under the capable leadership of Reverend Harry Ezell, is carrying on a program of rehabilitation for children placed there as wards of the court.

Dulac Indian Center, where concern for the whole life of the Dulac Indians is manifested, has been paid a glowing tribute for that concern in a thesis recently published by LSU, written by Mr. Roy. A Work Camp for Youth is to be held at Dulac Indian Center this month. A very successful one was held there last year.

Business Girls, Inc., located in Shreveport, has for its purpose to be a home for young women who come to Shreveport from other sections of the state to work or attend business school.

At People's Community Center in New Orleans there are 102 children in the kindergarten department alone. That worker is supplied by the Woman's Division. It is rewarding to see these children and all the others who use the Center surrounded with adequate facilities, acceptance and companionship.

Looking to the future, the Woman's Division has asked that we study the needs for new pieces of work in Louisiana and we have a committee now, with the cooperation of the District Super-

intendent, studying he need for a rural worker in the Ruston District.

We ask continued support of our District Superintendents in organizing new societies, for we need all Louisiana Methodist women as members of the Woman's Society of Christian Service or the Wesleyan Service Guild serving in the program of missionary outreach and concern for women and children around the world.

We are grateful to God for what we have been able to accomplish in the Woman's Society of Christian Service, but we look toward the new year with an enlarged vision and a deep concern to serve our Church and our Lord.

MRS. L. B. KILPATRICK, President

WORLD PEACE

Report of Commission

We are essentially social beings. As His crowning creation, God has made us so. But we fight. There is still war in our world. Though oft times it may seem cold and smoldering, it may at any time burst forth into an all-consuming conflagration.

Ours is a Power age, but the greatest power is not in the realm of the material.

The greatest contribution of our age is not the splitting of the atom nor the creation of the atomic bomb nor the making of a round trip to the moon, but will be in the realm of social and economic relations of the people of the world. Ours will be the most wonderful age of history if we can, under God, carry out our great aim to make the whole of the world to serve the good of the whole of mankind. This we are endeavoring to accomplish by peaceful means.

The accomplishment of the greatest good for the whole of mankind cannot be attained through a super-state nor by the subjugation of the individual to a state or group of states, but the rights, privileges, and desires of every individual must be considered and safeguarded, giving him the right to seek health, wealth, and happiness and mutual respect among his fellow men and the right to worship God according to his best knowledge and the leading of his own soul.

With these rights and privileges come the responsibility of every individual working through his social and political group to see that these same rights and privileges which he enjoys are guaranteed to every other individual of our world society. This we are endeavoring to accomplish, through peaceful means, through our United Nations. Though we cannot hope to reach the finest in individual and world relationships in other than a Christian way, we must work together with all peoples of the world, in mutual

respect and social and economic interchange to allow the Spirit of Christ to work in the hearts of changed men to bring about the society in the world that seemeth good to the Heavenly Father of all.

We recommend, for a constructive program for World Peace emphasis in the local church this year, that the local church Commission on Christian Social Relations meet regularly, at least once every two months. That the special committee on World Peace be allowed to work out its year's program within the structure of the commission program. Where the commission is not officially organized, we urge the local church committee on Temperance, Social and Economic Relations, and World Peace work closely with the committee on Christian Social Relations of the WSCS.

We recommend, in cooperation with the National Council of Churches of Christ in the USA and the General Conference of the Methodist Church, that October 25 be observed in every local church as World Order Sunday, that the ministers preach a sermon on World Peace and that a place be given in the morning worship service for a member of the commission on Christian Social Relations to present a five-minute lay talk on World Peace. Materials and suggestions will be sent to every pastor in sufficient time for planning the service.

Above all we pray and urge you to pray, without ceasing, that God will give us peace in His world where men live lives pleasing to Him.

Report No. 4 of Commission

R. E. Smith Religious Activities Building

We recommend that the Louisiana Annual Conference establish a Dean Smith Religious Education Building Fund of \$100,000.00 for the erection of a Religious Education Building on Centenary College Campus. This amount is to be apportioned to the several districts of the conference, exclusive of the Shreveport District, on the same percentage formula as used for World Service and Conference Benevolences. It is urged that this campaign be brought to a successful culmination as early as possible.

The percentages and amounts for this fund to be raised by the seven districts will be adjusted according to payments made during 1958-1959 Conference year.

WORLD SERVICE AND FINANCE**Report No. 5 of Commission****Wills and Legacies**

We recommend that pastors and laymen call to the attention of their members and friends the stewardship approach to Christian giving in regard to a Christian Will. "Remember the Church in Your Will" should be given special meaning as it brings to mind the institutions related to the Annual Conference and general boards and agencies of The Methodist Church. We suggest a local church Committee on Wills and Legacies to work with and secure information and guidance from the Committee on Wills, Bequests, and Gifts of the Council of World Service and Finance, Dr. J. Homer Magee, Director, 740 Rush Street, Chicago 11, Illinois.

CONFERENCE RULES

Apportionments. The apportionments shall be apportioned to the several districts of the Conference on a decimal derived from the following factors: (a) One third on the basis of active membership; (b) One third on the basis of total non-building giving (i. e. total for all purposes less amounts paid for debts, buildings, and improvements); and, (c) One third on the basis of World Service and Conference Benevolences.

Apportionments. The monies necessary to finance the District Superintendent's Fund, the Episcopal Fund, the Conference Claimant's Fund, and the Sustentation Fund (Church Only) shall be apportioned to the pastoral charges on the following percentage formula, as computed by a statistician designated by the World Service and Finance Commission: One third on the basis of membership. One third on the basis of the total of Columns 44, 45, 47, and 48 of the published journal of the Louisiana Conference for the preceding year. One third on the basis of the previous year's giving to the District Superintendent Fund, Episcopal Fund, Conference Claimants' Fund (Church Only) and Sustentation Fund (Church Only).

(Editor's Note: The 1960 deadline for beginning this method of financing these funds has been indefinitely extended.)

Church Extension. Each church securing assistance from the Church Extension funds of the Conference Board of Missions shall be required to secure the refunding of the sum donated in the event of the property being alienated from The Methodist Church, by entering and recording a mortgage for the sum donated; provided that this shall not apply to donations of five hundred dollars (\$500.00) or less.

Data for Memoirs. The district superintendent in whose district a member, wife or widow of a preacher dies, shall appoint someone to secure, in advance of Conference, data concerning the deceased. Each member of the Conference is required to furnish the Editor of the Annual a sufficient history of himself.

Fiscal Year. June 1st to May 31st is the Fiscal year for the Conference.

Membership District Conference. The District Conference shall be composed of all parties mentioned in paragraph 687, Discipline 1956, and, in addition thereto, of the following: one lay member from each church in the charge, provided, however, that each charge shall not have less than five (5) elected delegates.

Quadrennial Orphanage Board. A Conference Orphanage Board, composed of one lay member from each district and an equal num-

ber of clerical members, shall be elected at the first session following the General Conference, to serve the ensuing quadrennium.

Statistical Reports. Statistical Table I shall be mailed to the Statistical Secretary, and Table II with all remittances for the Conference year shall be mailed to the Conference Treasurer not less than fifteen (15) days before the first day of Conference. The Statistical Secretary and the Treasurer shall notify the District Superintendents of the charges in their District which have not reported, and the District Superintendents will be expected to furnish the delinquent reports in ten days.

Widows. A directory of widows of deceased members shall be published in the Annual. The Secretary of the Board of Conference Claimants shall secure from each widow a statement of her needs, for the information of the Board.

Minimum Salary Fund. No man may now or in any future date, share in the Minimum Salary Fund who does not pay the assessment, unless he can satisfy the Committee that he is unable to pay it.

Terms of Membership. The terms of membership on all Boards, Commissions, and Committees shall be a maximum of eight years, with this rule becoming effective in 1960, and applying to all who have served eight years on such Boards, Commissions and Committees by 1960. This rule does not apply to Trustees.

SAMUEL SKOLFIELD BOGAN

The tired heart ceased to beat for Samuel Skolfield Bogan on the afternoon of April 21, 1959 at the age of ninety-four. He was born in East Baton Rouge Parish, Louisiana, March 24, 1865. He was married to Margaret Virginia Whatley, granddaughter of the Reverend Uriah Whatley, on June 31, 1895 at Prudome City, La., by the Reverend Henry O. White. He served 101 churches and charges while in his active ministry of 45 years. He spent an additional 10 years organizing and building Rodessa Methodist Church and Summer Grove Methodist Church.

The names of the surviving children are: Harney S. Bogan, James M. Bogan, Shreveport; Samuel D. Bogan, New Haven Connecticut; John A. Bogan, Lafayette; Mrs. C. P. Derveloy and Mrs. Harry T. Pringle, Alexandria; Miss Ruth Bogan, Sacramento, California; Mrs. Caswell Crossland and Mrs. Ivan Beagle, Houston, Texas and Mrs. John Hardy Traylor of Columbia.

"God buries his workman but his work continues." This statement can truly apply to Brother Bogan. He never tired of doing good for his Lord and he never once let his Church down. Others might criticize and cast aspersions, but not Brother Bogan. He saw something good in men and women everywhere and he felt the Church was of Christ and would prevail.

It can be said of him, as it was said of Evangeline by Longfellow; "his passing was like the closing of exquisite music". Verily his influence will follow him and in a thousand ways will rise up and call him blessed.

PATRICK HENRY FONTAINE

Rev. Patrick Henry Fontaine closed the book of the record of his earthly life January 10, 1959, but that did not close his ministry. "Their works do follow them."

I received a letter from him posted in Jackson, Miss., that same date, in which he said: "I do not remember a day in my life when I did not pray, and years ago I purposed to join the Methodist Church. While the college (Millsaps) was under construction I visited it and purposed to attend it." . . . I was licensed to preach September 12, 1893 . . . Over many years I have continued to contribute to the Board of Finance (Pension), Church Extension, Home and Foreign Missions, and now it amounts to \$20,000, and in addition \$5,000 to the American Bible Society. So I am very thankful for this \$25,000 for the Lord's work." . . . "I want you to write it (memoir). Good bye."

"In Christian love,

P. H. FONTAINE"

So his ministry will ever continue.

Patrick Henry Fontaine was born December 15, 1869 in the library of the home on Belvedere Plantation owned by his mother, who freed seventy-five slaves in 1865. He was a relative of the famous American Statesman for whom he was named. He was seriously injured at delivery, and a wise mother allowed him to spend much time outdoors in the fields and forests of the large estate. "That gave me a strong body. I loved books and the well furnished library supplied me with the best, and my parents, both well educated, taught and directed my reading. I was precocious, and I do not remember when I could not read and write."

He attended the public schools of the neighborhood, and then an academy in Oxford, Miss., then the University of Mississippi, the A. and M. College at Starkville, and Millsaps College.

He was admitted on trial into the Louisiana Conference December 1896 and appointed to Carralton Avenue, Parker Memorial, Tchopatoulas Street, and Dryads Street churches in succession, in New Orleans, Louisiana.

He was married to Miss Ernestine Doll December 13, 1903, who died December 9, 1942. They left no children. After marriage, he requested to be given an appointment outside of new Orleans. Other charges served were: Covington; Patterson; Wilson; Waterproof; Superintendent of the Louisiana Methodist Orphanage; Mer Rouge; Clinton; Good Pine; Bernice; Eunice; Bienville; Haughton; and Jackson, Louisiana, with Chaplaincy of the East Louisiana Hospital. He was superannuated November 26, 1928 at the Conference held in Lake Charles, Louisiana.

In 1957 he wrote: "My eighty-seven years (87 yrs.) bear down

heavily upon me, but I am content and face the future unafraid." But alas! At the last he lost his fortitude and endurance, and he gave up the struggle January 10, 1959, and his body was picked up on a street in Jackson, Mississippi. Funeral service was conducted in Jackson, Mississippi by Bishop Franklin, and the body was interred in Pocahontas cemetery.

SIDNEY A. SEEGRS

WILLIAM B. HOLLINGSWORTH

William Beckworth Hollingsworth was born February 12th, 1885 at Wesson, Mississippi and passed to his reward September 13th, 1958, at Lacombe, Louisiana. He was interred in the Graham Cemetery, north of Ocean Springs, Mississippi. He is survived by his widow, the former Valeda Graham of Vancleave, Mississippi, and three sons, James, William and Warren; one daughter, Louise, and an adopted daughter, Elizabeth. One son, John McDonald was lost in World War II in landings on the French coast. He entered the Mississippi Conference on trial in 1924, transferred to the Louisiana Conference in 1938, superannuated in 1953, but continued to serve churches until June, 1958, when his declining health would not permit active participation. In the Mississippi Conference he served charges at Americus, Stillmore, Harrisville, Nebo, Johns, Harleston, and 7th Avenue Church, Meridian. In Louisiana he served at Dubach, Jackson, Pride, Fasher, and finally, Lacombe. These simple statistics depict the physical beginning and end of a man. They do not begin to tell the story of the man as an individual, or a minister of the gospel.

He felt the call to preach at an early age and began preparing for the Episcopalian ministry. The loss of his father caused him to drop out of school in order to help support a widowed mother. During World War I, he completed training at the Second Officer's Training Camp at Fort Sheridan, Illinois. He did not see overseas service before the armistice. For sometime after the war, he worked for the YMCA as an organizer out of headquarters in Atlanta, Georgia. Later he started farming north of Ocean Springs, Mississippi. Eventually, through a series of personal crises, he again reacted to the call, joined the Methodist Church, and was admitted to the Mississippi Conference.

He was a strong believer and practitioner of the practical approach to Christianity and church activities. His way with people was to love them and reason with them over a period of time in an effort to bring them into the fold or to sustain them when they were faltering in the main effort, rather than by emotional pressure. Perhaps the most spectacular forte of this servant, small though he was in stature, was his dogged persistence to continue the fight and stay true to his calling even when the going was roughest. He entered the ministry in the last days of the circuit

rider phase and knew what it was to ride a rawboned mustang (his father-in-law had given him) fifteen miles to preach the word. He knew what it was to walk (on occasion) ten miles to hold services. During the depression he knew what it was to leave home for services with only enough food left for the family for breakfast that day — yet he stuck to his vows and continued the fight. It was this ruggedness of character and understanding of the day-to-day problems of his flock that contributed so much to the strong friendships he developed wherever he went. Hearts were lifted, faces shone, and hope was restored when this little man came to visit and to share his experiences with others. His cheerful attitude and unfailing sense of humor were a marked part of his personality.

As he grew older, and began to mature in the service, he began to develop a deep, resonant speaking voice, and gathered a wide fund of knowledge through constant study and a wide range of interests in reading for pleasure. He was in demand as a toastmaster at Kiwanis and similar organizations, he was an active Master Mason, frequently held the post of Chaplain, and for two consecutive years was Department Chaplain of the American Legion in Mississippi.

An humble man, he was constantly awed by the challenge of the job, and the mission that devolved on him — who had (he thought — like Paul) less to offer than many others. Yet, an analysis of his sermons shows a depth of feeling and consciousness of the great heights of human and spiritual experience, and he constantly strived to offer a challenge for the highest attainment and religious experience among his parishioners. He served uncomplainingly, wholeheartedly, with selfless devotion, and did his best to let his service to the community and the people of his churches see in him an example of "walking the second mile".

On an increasing number of occasions his ability to organize effort, stabilize unsettled situations, and put the church's affairs on a business-like basis, was brought into play by assigning him to charges where these talents could be readily used. Concurrent with these actions he had a particular ability to stimulate cheerful cooperation among people.

The fact that he was so happy and satisfied that he had been able to play a part in his children's formal education to the point that they had exceeded his own is a tribute to him as a Christian and as a father.

Of him it can be truly said, "The world is a better place to live in because he came this way." "Well done, thou good and faithful servant, enter now into the joys prepared for thee."

HIS FAMILY

NICOLAS E. JOYNER

Three score and four years ago, I, a green Kentucky boy, and my greenish country trunk barged into Vanderbilt University. But, as I entered the campus the scene was too much for me.

All those imposing buildings! Which one should I approach? It was mid-year; classes had already had one semester. I didn't know a soul, teacher or student, in that whole posse comitatus!

Hadn't I better go back home and return in the Fall, and get an even start at the beginning of the session? I was in the rigors of an acute attack of nostalgia—and didn't know it!

Two God-sent events saved me: (1) Just as my taxi drove inside the grounds, behold! that venerable sage, Dean Tillett, who knew everything, came driving out. Sighting that blazing trunk, the Dean read my open book! Stopping his machine (Wesley) he came over, introduced himself, gave me directions how to proceed, and made me feel that I, at least, could stay all night.

(2) But, *mirabile dictu*, that second episode, how tremendously significant! I was assigned a room just across the hall from the princely Henry Beach Carre' and the lovable Nicolas E. Joyner. How much I owe to these two royal souls! How patient they were with me! Now they are both singing with the angels and I am still treading the lower pathway that slopes upward to God and them.

After all these years why do I remember Carre and Joyner more than some of those great professors? These two lifted my spirit; they inspired—even dared me! Many a time I have wrestled with the thought that it was not a quirk of Fate, nor a turn of the wheel of circumstance, but God who so ordered it that, although those two Louisiana men finished at V. U. before I did and our paths diverged, yet most of my mature life has been spent in their lovely Louisiana and in the Centenary College that nurtured them.

The early Joyner ancestors were in South Carolina of the "Game-cock" type. A branch of the family later migrated to Louisiana. It might be well to note that South Carolina furnished more men to gain our independence than all the other Colonies combined!

Brother Joyner's immediate parents were both Louisianians. Here, on February 15, 1871, near Pearl River, Nicolas E. Joyner, son of Calvin G. and Martha Tally Joyner, was born.

Those were tempestuous days. It was the Reconstruction Era. The very air seemed tainted with a spirit of resentment. Nothing seemed secure, the South was prostrate. Her schools were almost paralyzed. Could a sensitive youth like Joyner have escaped that penetrative and persuasive atmosphere?

Since the city offered better opportunities for jobs and edu-

cational advantage for youth, the Joyners removed to New Orleans. Unfortunately, the father soon suffered an accident which invalidated him for years. Hence, it was necessary that the son seek employment to help support the family.

Fortunately, the great D. H. Holmes Company gave him a job and he made good with this famous store—remaining with them for six years, from 12 to 18. Meanwhile finishing high school with unusual honors.

Young Joyner had early sensed the call to preach. Hence, when only 18, but rather mature, he was licensed at Old Carondelet Street Methodist Church.

The Carre' family, very prominent in Carondelet Church, had noted young Joyner's potentialities and urged him to go to college—offering him financial aid in Centenary College. By their help he applied for admission into Centenary at Jackson, Louisiana.

In his entrance examination his high grades in math catapulted him into Centenary with honors! In college he was a natural, taking part in all extracurricular activities. Still living are some of his classmates, such as Dr. Jno. L. Scales, Sr., and Rev. S. L. Riggs, both of Shreveport, who testify to Joyner's high principles and moral integrity.

While at Centenary he took great interest in athletics and was the quarterback on her first football team. Woe to any player who attempted a foul, or an official rendering any unfair decision! He knew no such thing as modifying truth or altering facts; and compromise was not in his nature, or vocabulary! This love of sports followed him throughout life, and to his last illness he read the sport page—but didn't neglect his Greek Testament!

In 1893 he was graduated from Centenary with highest honors of his class. Until Conference he was sent to Lake Arthur as interim pastor. Then at Conference he was appointed to Natchitoches. At the following conference with the financial aid of the faithful Carre's and the consent of his Presiding Elder he entered Vanderbilt University. There he made a brilliant record excelling in both Greek and Hebrew. His Greek Testament was his other self, his vade mecum, and so remained to the end of his life!

In due course he was graduated from V. U. with the B. D. Degree in 1896.

Upon graduation the two devoted friends Carre' and Joyner, like David and Jonathan had to separate. Carre' was going to Europe for further graduate study. Again the faithful Carre' family offered to finance Joyner's going on to Europe with their son. It was a hard decision to make but Joyner felt that he should now be on his own. Thus the two loving comrades bade a cordial adieu, one to go East and one West as Joyner decided to go as a Missionary to Mexico and Carre' to study in Europe.

In Mexico Joyner was assigned to the American Congregation in Monterrey. After a hard year there, the heart-pull brought him back home to marry Miss Sarah Baker Austin, granddaughter of Prof. A. R. Holcombe of Centenary and grandniece of Bishop Keener.

Reenforced now with his charming bride, Bro. Joyner again invaded Mexico. Occasionally he ventured out into rural sections by horseback and stage. Bandits roaming wildly were so fierce that travelers by stage in buying tickets had to sign a statement relieving the company of any responsibility on the trip! On good authority I am told that on one of these dare-devil trips he ran into a marauding band who evidently mistook him and planned to arrest and carry him off. Opening his baggage to identify himself, he saw and seized his American flag. Wrapping the flag around his breast, he dared them to molest him further!

Back in Louisiana again in 1903 the Joyners served first in Lake Charles and later in several other appointments. It was at this period that as a delegate to the General Conference of the former Methodist Episcopal Church South he introduced the Resolution giving women full equal laity rights in all Conferences and Boards of the Church. He led the debate on the floor of the Conference (and how he could debate! Witness the old literary societies in Centenary at Jackson!) The women won, the law was passed and exists today in the united Methodist Church.

In 1910 as he was preparing to go to Edinburgh as a delegate to the Ecumenical Missionary Conference, he was asked by our Women's Board of Missions to establish an Institutional Church in New Orleans. En route to Scotland he visited several similar organizations here in our Eastern cities and later studied others in Edinburgh and London. Returned in 1911, he opened St. Marks Hall in New Orleans. And there he organized the first Boy Scout Troop in Louisiana.

After this Brother Joyner was appointed Executive Secretary of the Conference Board of Education. During these active days of his ministry he was offered, and declined, the presidency of our Church Colleges, Mansfield Female College, and Centenary College. Scholar, churchman and education-minded, still he felt his work lay in other fields.

(In 1926 it was my great joy to have a part in honoring him with the degree of D. D. at Centenary College!)

In 1913 at the request of the Board of Missions, Brother Joyner returned to Monterrey to preside over Laurens Institute. He found Mexico in the throes of a mighty revolution. Many times his life was endangered.

In 1916 he returned to his beloved Louisiana where he served as Presiding Elder, and as Conference Secretary of the Missionary

Centennial, and as Pastor of various churches until his retirement in 1943. Since then he has lived in Minden where he has served as Pastor Emeritus of the First Methodist Church. Greatly beloved by the entire town, he has been a most welcome church visitor and personal counsellor to many old and young.

Dr. R. Leonard Cooke, Vice President of Centenary College, and perhaps a native of Minden, calls Dr. Joyner "The Patron Saint of Minden!" While Rev. Merlin W. Merrill, pastor of First Methodist Church of Minden, who kindly furnished me many of the dates and details here recorded, says of Dr. Joyner: "He was the elder statesman of his church, a friend of every pastor, and an advisor and friend to the many people who looked to him for spiritual counsel and help."

Thus honored and beloved Dr. N. E. Joyner, who for almost seventy years had nobly served God and his church, in various capacities, "fell on sleep" in Minden, January 25th, 1959. Funeral was held in First Methodist Church there. Officiating were Dr. Geo. W. Pomeroy, Rev. Ira W. Flowers, and Rev. Merlin W. Merrill. Interment was in the Garden of Memory Cemetery.

He is survived by his wife, two sons and four daughters: Calvin Joyner, Washington, D. C., Dr. Austin Joyner, of New York, Miss Anna K. Joyner of Minden, Mrs. L. P. Dixon of Belcher, Mrs. C. E. Harp, of Marshall, Texas, and Miss Elvina Carre' Joyner of Minden. He is also survived by seven grandchildren and three great-grandchildren.

Servant of God, well done!
Rest from thy loved employ,
The battle's fought, the victory won,
Enter thy Master's joy!

DEAN R. E. SMITH

SPENCER J. McLEAN

Rev. Spencer J. McLean was born August 7, 1888, in Gurley, La. He died March 23, 1959, in New Orleans, La.

He is survived by his wife, the former Agnes Etta Stevens; three sons, Lee Vance McLean, George McLean of Baton Rouge, and Rev. John G. McLean, Paris, Texas; one daughter, Mrs. Alice McLean Brown of Baton Rouge; two sisters, Miss Lucy S. McLean of Lake Charles, and Miss Iva McLean of Lake Charles; one brother, Thomas T. McLean, Longville, La.; two grandchildren and numerous nieces and nephews.

He was received into the Louisiana Conference on trial in 1917, and into full connection in 1919. He received his deacon's orders in 1917 and elder's orders in 1924. He has given 34 years of service in the Methodist ministry, serving the following charges among

others: Morgan City, Gibsland, Lutchet, Clinton, Zachory, Oak Grove, Newelton, Mangum, Angie-Varnado, and Bluff Creek. He served as business manager for the Bluff Creek Camp Grounds for about ten years. He served ten years of his ministry in the Southwest Texas Conference, serving Kingsville, Comfort, Borne, Port Lavaca, and Marblefalls.

In every church where he has served there are those who found in him a channel of God's comfort and strength in time of loss, who have found in his faith, new hope and courage, who have learned from him, by precept and example, the Christian way, who have heard from him the good news of redeeming grace.

Those who knew him as a preacher heard sermons grounded in the Scriptures, and enriched by his own deep understanding of human nature and his own sensitiveness to everyday problems. Those who knew him as a pastor, knew one who was ever willing to listen, quick to grasp the heart of a problem, to sense the feeling behind the words, not trying to judge but seeking to understand. Those who knew him as a leader of their church, knew one who was always willing to work, never asking someone to do a task he was not willing to do himself, literally and physically building churches and repairing parsonages, inspiring others to service with his own extravagant spending of his energies for the church he loved.

So much of what it means to be a Christian has been quietly lived out day by day, in a steadfast faith in spite of tragedy, a devotion in spite of disappointment, the grace to forgive when lesser men would grow sullen and angry, the freshness of varied interests and the enthusiasm for new tasks, the gift to give himself nor count the cost, the grace to love . . . in short, so much of Christ's spirit is reflected in his life, that we better know what Christ is like.

One of the prayers offered at the ordination service is contained in a hymn sung during the service. It is a prayer that has been truly answered in the life of Spencer J. McLean:

"As laborers in Thy vineyard, Send us O Christ to be
Content to bear the burden of weary days for Thee;
We ask no other wages, when Thou shalt call us home
But to have shared the travail which makes Thy Kingdom
come."

J. P. WOODLAND

JOHN C. PRICE

Reverend John C. Price was born at Shubuta, Clark County, Mississippi, on February 14, 1870. He died at Shreveport, Louisiana, on June 6, 1958. Funeral services were conducted in the Methodist

Church at Mansfield, Louisiana, with Dr. B. C. Taylor, Reverend Alfred M. Brown and Reverend Robert Lawton participating. Interment was in Zion's Rest Cemetery near Pleasant Hill, Louisiana.

Brother Price came to Louisiana in 1889 with thirty families who migrated from Mississippi and settled in Desoto Parish in a community known at that time as Sodus. This was near the town of Pleasant Hill, which he always considered to be his home. It is fitting that his tired body should rest from its labors in the soil of this vicinity.

On September 14, 1893, John C. Price was married to Annie Jane Bufkin, who was the daughter of one of the families who came from Mississippi. This godly couple immediately established a family altar, and lived together happily for sixty-one and a half years until 1954 when Mrs. Price went to her heavenly reward. They were the parents of four children: Robert Osto, deceased, W. C. Price of Shreveport, Mrs. Clyde Tomlinson of Longview, Texas, and Mrs. M. E. Camp of Bossier City, Louisiana.

He united with the Louisiana Conference as a traveling preacher on December 14, 1908. The 1908 Journal reveals that he presented his credentials as an Elder in the Congregational Methodist Church, and by vote of the conference, was admitted in Elder's orders, on condition that he assume the ordination vows. During thirty-four years of service in the Louisiana Conference Brother Price ministered to the spiritual needs of the people in the following appointments: Zwolle, Grand Cane, Belcher, Naborton, Coushatta, Bernice Circuit, Jonesboro, St. Francisville, Rochelle, Mangham, Gilbert, Bonita, Waterproof, Pelican, Mooringsport, Sicily Island, Pleasant Hill and Pioneer.

The place John C. Price filled in this life was not an easy one. He was reared an orphan. His father died three months before his birth, and his mother died when he was nine years of age. As a child, he lived from place to place with relatives and friends, working for his room and board. His was a humble place in the service of the church. He neither sought nor received positions of high honor; willing always to serve faithfully the places to which he was assigned. Truly, he could be counted among those of whom the Apostle Paul said:

Not many of you were wise according to worldly standards, not many were powerful, not many were of noble birth, but God chose what is foolish in this world to shame the wise. God chose what is weak in this world to shame the strong.

He was a noble soul; one of God's elect. He could also be numbered among those of whom the writer of Revelation said:

These are they who have come out of great tribulation; they have washed their robes and made them white in the blood

of the Lamb. For the Lamb in the midst of the throne will be their shepherd, and he will guide them to springs of living water; and God will wipe away every tear from their eyes.

As a young preacher, the writer was privileged to assist Brother Price in revivals in several churches where he served as pastor. It was a joy to be entertained in his home and to know him and his family intimately. Surely, he was one of God's most worthy servants. The influence of his Sacrificial life cannot be measured.

R. R. BRANTON

R. S. WALTON

Rev. R. S. Walton was born in Coryden, Kentucky, November 7, 1872. He attended Kentucky Wesleyan at Winchester, Kentucky, and taught at Guthrie, Kentucky. In 1901 he married the former Claudia Harris. And together they came to Louisiana in 1905, so that Bro. Walton could accept the position as teacher at Centenary College. When the College was moved to Shreveport, he became principal of the Clinton High School. In 1908 he became pastor of the Hammond Church and entered the Louisiana Conference.

For the next 30 years, Bro. Walton served with great devotion in some 10 churches in our Conference. In addition to his pastorate in Hammond, he was pastor of Kentwood, Bunkie, Winnfield, Texas Avenue (later Park Avenue) in Shreveport, Rayne, Kenner Memorial in Baton Rouge, Logansport, Sulphur, Amite, Jackson, and back to Kentwood where he retired in 1938. He returned to Hammond and built his home .

But he could not retire. He was extremely active in a small Sunday School known as Zenobia, begun by his good friend, Doctor Lucius McGehee. He served faithfully in that work until a few months before his death. He was active in the Tangipahoa Ministerial Association and was always a source of inspiration and help to his minister.

Bro. Walton is survived by two sons, Robert, who teaches at Medical College of South Carolina in Charleston, South Carolina; Lewis, his youngest son, who is a research engineer for General Electric of Schenectady, New York. His wife, Claudia, who has been his constant companion through the years, still lives at the home in Hammond. One son, Joseph, died at the age of 14 when Bro. Walton was pastor of the Keener Memorial Church in Baton Rouge.

Death came to Bro. Walton on August 27 at the age of 85. Rev. A. D. George, who had entered the ministry with him some 50 years ago, spoke at the funeral. He spoke of him as one of the great "soldiers of the Cross," and he spoke of the warm friendship over the years.

To know him was to know something of a life completely dedicated to God. Here was a man whose chief purpose was to do God's will. Like Abraham, no task was too difficult, no sacrifice too great. His was a dedicated life.

The editor of our local paper, George Campbell, writes: "It is difficult to write an eulogy to one who had meant so much to the writer. It was through his influence that I joined the Men's Bible Class at a time when less than a dozen were present. This memory will be forever cherished by me and will cause me to follow as closely as possible the impact of an influence that carried more than passible persuasion."

Like another great soldier of the yesterday he fought the good fight, he finished the race, he kept aglow the faith. And like that other soldier he has gone to claim that crown of righteousness which the Lord shall give unto those who have loved his appearing.

EDWARD R. THOMAS

MRS. L. E. CROOKS

Mrs. L. E. Crooks, better known by the name of her first husband, the deceased Methodist minister—the Rev. J. H. Hoffpauir—was born October 12, 1886, at Ridge, Louisiana, and went to her heavenly reward February 8, 1959, at Crowley, Louisiana. She was known by a multitude of friends as just plain "Estelle"—her given name.

In 1902 "Estelle" became the bride of J. H. Hoffpauir who later became a Methodist minister in the Louisiana Conference. Together through the years they serves the churches at Prairie Greg (Henry), Indian Bayou, Gueydan, Long Ville, Simmsboro, Iota, Maxie, Church Point and South Crowley—until the death of Rev. Hoffpauir in 1932.

In 1935 Mrs. J. H. Hoffpauir became the wife of another Methodist minister, the Rev. L. E. Crooks. They served the church side by side until the death of Rev. Crooks which occurred less than two years after their marriage.

"Estelle" will long be remembered for her lovely spirit and faithful service in the church. She was one of those rare persons who always carried a smile and brought a bit of cheer wherever she went.

Mrs. Crooks was a member of the Wesley Methodist Church in Crowley at the time of her death, having become a charter member of that church ten years before. As a member of the Wesley congregation she served as Communion Steward, as a member of the choir and was a charter member of the Woman's Society of Christian Service. The Communion cloths and the pulpit and lectern scarfs were made with her own hands. It can be said

of Mrs. Crooks what was said of Dorcas in the Book of Acts: "This woman was full of good works and almsdeeds which she did."

Let it also be said that the two sons of "Estelle"—Talmage and Stanley Hoffpaur—have long been faithful laymen in the Methodist Church.

RAYMOND E. PIERSON

MRS. W. T. GRAY

Mrs. W. T. Gray passed away in Port Arthur, Texas. She was a native of Cleburne, Texas, and lived all of her early life there.

She was married to Rev. W. T. Gray and they served pastorates in the Central Texas and the Northwestern Texas Conferences. She was closely associated with the work of the Methodist Home for Children in Waco, Texas, as her husband was field secretary for that institution for sixteen years.

She came to Louisiana with her husband in 1933 and was known and loved in the Louisiana Conference for her faithfulness in the church, the parsonage and the community in which they served so well. They served pastorates at Mangum Memorial in Shreveport, Many, Felicity in New Orleans, Franklinton, Indian Bayou and DeQuincey. They retired from the DeQuincey Church after serving for forty-five years as pastor and parsonette.

After their retirement, they moved to Waco and they were very happy in their home of other years and among friends and neighbors they had known during the years they were connected with the Home for Children.

Surviving are two sons, George and William, both of Port Arthur, Texas; two daughters, Mrs. Brannon B. Taylor of San Antonio, Texas, and Mrs. Harold Hassman of Dayton, Ohio.

Mrs. Gray was a very consecrated Christian woman and proved her worth so often in her church, the parsonage home and the community. She was an inspiration to all she met and particularly, do I recall her kind and loving words of encouragement as well as her many deeds of kindness during the earlier years of my ministry. Surely, such a spirit as Mrs. Gray portrayed lives on and one in the lives of family, friends and congregations.

Her late years were filled with illness and suffering, yet, she remained calm and confident. She had lived the faith of Jesus Christ in its fullness. Her rare and radiant spirit will be a lasting benediction to all who knew her.

W. CARL BARHAM

MRS. HENRY B. HINES

Though her life never attained any distinction or conspicuous achievement, her untiring and earnest efforts as a kind, devoted wife and mother enriched the lives of all with whom she came in contact.

These qualities stood her in good stead when her husband accepted his call to preach and for which he had been previously educated at Millsaps College in Jackson, Mississippi. He served as an Elder all during the years he was doing school work, but was licensed to preach in the Louisiana Conference in 1920 at Cedar Grove, Louisiana; was admitted on trial and was accepted in full connection four years later. Her efforts in being a loyal and devoted wife of a Methodist minister were manifest in her untiring work as a helpmeet of her husband and as a Christian.

Expressions of devotion and gratitude were experienced in many localities of Louisiana where they served and remained with her in lasting memory in her final years.

Because various injuries deprived her of attending public interests in her sunset years, her fortitude for being comforted in silent composure and assurance was her greatest secret in life's accomplished task.

The friendly accord given her during her residence and final sojourn in life at Grand Bay, Alabama, by local friends could only be exceeded by lifetime acquaintances, as she departed this life gently and quietly after a short illness on January 7, 1959. She was laid to rest by the side of Rev. Hines in Griffin Cemetery, Moss Point, Mississippi, on January 9, 1959.

By her son,

HENRY CAPERS HINES

MRS. H. B. HINES

Mrs. H. B. Hines, the wife of Henry Bascom Hines, was born Susan May McKnight, at Pollock, Louisiana, on May 12, 1866. Her parents were of Colonial pioneer heritage with that sturdy quality of enduring ability which she also possessed and maintained with simplicity until the last.

She finished school at Draughn's Business College in Nashville, Tennessee, and became supervisor for the accounting office of a general mercantile company for a number of years.

Susan was a member of a large family consisting of thirteen brothers and sisters. The entire family were musically inclined and all took part in church and choir activities with their father and mother. She played the piano and guitar and joined them in song with her beautiful alto voice lending much to the camp meet-

ings and using her talents for her Lord.

On Christmas Day, 1899, she was married at Colfax, Louisiana, to Mr. Hines, who was then engaged in the reorganization and standardization of public high schools. This endeavor occupied their domestic and public life for eighteen years, during which time they were members in various civic and fraternal activities. They joined the Order of the Eastern Star together in 1903 at Coushatta, Louisiana, and worked side by side in the Order for about fifty years.

Two children blessed this union, a son and a daughter with whom she was living in Grand Bay, Alabama, at the time of her passing.

MRS. KATE HOLLADAY

(Memoir was not received in time for publication in the Journal)

MRS. OCTAVIA WYNN RICKEY

One of the famed women of history was the daughter of a king and she became a queen and the mother of kings. Mrs. Octavia Wynn Rickey surpassed the queen—she was the daughter of a Methodist minister and she became the wife of a Methodist minister and she was the mother of a minister.

The father of Mrs. Rickey was Rev. John F. Wynn, the St. John of the earlier days of the Louisiana Conference, and her mother was a Miss Gorton, an elect lady of the Tensas country. Mrs. Rickey's brother, Dr. Robert H. Wynn, was a distinguished member of the Louisiana Conference who in his last years rendered a great service as President of Centenary College. The late Dr. W. Winans Drake, a prominent leader in the Conference, was a cousin of Mrs. Rickey.

Miss Octavia Wynn was married December 24, 1896, to Rev. Harry Rickey, a native of Ocean Springs, Mississippi, and long-time faithful and honored pastor in Louisiana. To this union were born six sons and one daughter—John Gorton, who after service in the army and in Panama died in 1941, Dr. Wynn Rickey, Dr. Frank Rickey, Horace B. Rickey, Henry A. Rickey, and Miss Octavia Rickey. The youngest son, Henry A. Rickey, after serving charges in Louisiana and as District Superintendent in Arkansas, is now serving as Superintendent of the New Orleans District.

As the wife of a Methodist minister, Mrs. Rickey had a useful part in the work of the church and was a faithful helpmeet of her husband. The fiftieth anniversary of their marriage was celebrated as the crowning day of their long and happy life together. Brother Rickey, then a superannuate, died at his home

in North Biloxi, Mississippi, November 27, 1948. Mrs. Rickey survived her husband until May 22, 1958, when God called her to her place in the house of many mansions. Her funeral was held in the First Methodist Church in Lafayette, Louisiana, by the Rev. Fred Flurry, the pastor, and interment was in the Lafayette Memorial Park.

The children of Mrs. Rickey in their different avocations have achieved success and they have the esteem of those who are associated with them. Three of her sons—Wynn, Horace, and Frank—were connected for a time with First Methodist Church of New Orleans during the writer's pastorate there and they were active in the work of the young people and in the choir. The writer has been associated with Rev. Henry Rickey in the work of the Conference. To these recollections of association with these sons, there is added the happy memory of gracious hospitality to the Presiding Elder in the parsonage home of Mrs. Rickey and Brother Rickey and their daughter, Miss Octavia, in Jena, Louisiana. And with sure hope, we look with the loved ones beyond the grave and to the radiant morn when we shall see those angel faces smile which we "have loved long since, and lost awhile."

R. H. HARPER

MRS. MINNIE HINES TUCKER

Mrs. Minnie Hines Tucker, widow of the late Reverend R. W. Tucker, passed to her heavenly reward on February 22, 1959. She was buried in Ruston, where she had resided since the death of Brother Tucker in 1931. Mrs. Tucker was visiting with her step-daughter, Mrs. James Plummer, in Covington, Louisiana, when she passed away. She was 86 years old.

She married Rev. R. W. Tucker on January 7, 1913, while Brother Tucker was pastor at Leesville, Louisiana. From this time till the passing of Brother Tucker in 1931, she was his constant companion and helper in the ministry. They served together during their union at the following places: Leesville, Crowley, Homer, Noel Memorial in Shreveport, Bogalusa and Rayville. It was while serving Rayville that Brother Tucker passed away. Mrs. Tucker then moved to Ruston, where she lived till her death. She immediately became a member of Trinity Church in Ruston, where she took an active part. She was a deeply consecrated person and loved the Church and was willing to invest her life in God's cause.

Mrs. Tucker was a native of Georgia, but came to Louisiana with her parents when only a child. They made their home in Jackson Parish, where Mrs. Tucker received her education, and where she taught school many years.

Mrs. Tucker had many friends in Ruston. Her kind disposition,

motherly spirit and friendliness endeared her to all who came in contact with her. Even though she had no children of her own, she leaves the following stepchildren who mourn her passing: Reverend O. L. Tucker, Ruston; Mrs. James Plummer, Covington; Mrs. Poole Robison, Ruston; and Mrs. Baxter Robison, Lecompte.

C. B. WHITE

MRS. ROBERT W. VAUGHAN

In the senior class of Kidd-Key College, Sherman, Texas, in the year 1895, was Roberta Pearl McClendon. Tall, erect and graceful, she walked every inch a queen.

Her talents and her equipment sent her directly to the school room, where her friendly personality, shining eyes and kind voice won attention and loving respect.

Wm. Cowper was right: "God moves in a mysterious way, His wonders to perform." It was not right for Berta McClendon to be limited to one school room, important as that was. Her gifts and abilities beckoned her to wider fields of service.

Along came that young Prince Charming, Robert W. Vaughan, to whom she was married in 1897.

Then, for about eleven years, this lovely couple served as "Shepherds of the Flock" at several charges in the Louisiana Conference. They were blessed with five children, Robert Hendrix, Carter Sale, Mabel Louise, Bessie Lucille and Roberta Charlotte.

Then the great change came! Brother Vaughan was appointed as Superintendent of the Louisiana Methodist Orphanage at Ruston, Louisiana, where he and his beloved wife labored for twenty-eight years and four months, until his retirement in 1937.

Only time will reveal the wonderful influence for good exercised by this consecrated couple, upon the lives of boys and girls who passed through the doors of our Methodist Home!

Here Mrs. Vaughan's talents and splendid ability were displayed in a magnificent way. She became "Mother" not only to her own five children, but also to the hundreds of homeless orphans who with grateful hearts could rise up today and call her blessed. She was affectionately known as "Mother Vaughan."

As King Lemuel says: "Who can find a valorous woman?" Mrs. Vaughan was faithful and eminently worthy in every relationship: As a wife she was faithful and devoted; As a mother, she was loving and wise; As a homemaker, she excelled—her home-made delicacies were known far and wide; As a personal friend, she was loyal and true; As a friend of the crushed and needy she was understanding and kind; As a Christian, she was consecrated and devoted to her Church, her home and community.

She was born in Lisbon, Louisiana, on October 9, 1875. Her parents were Mr. and Mrs. R. T. McClendon. She died in Ruston, Louisiana, surrounded by her family and friends, May 23, 1959. She is survived by her husband, Dr. R. W. Vaughan, and two daughters, Mrs. W. F. Manning, Ruston, La., and Miss Bess Vaughan, New Orleans, La.; two sisters, Mrs. G. A. Kennedy, Rayne, La., and Mrs. W. S. Rudasill Brownwood, Texas; seven grandchildren, sixteen great-grandchildren and a host of friends, who will hold her in loving memory.

Her funeral was held in Trinity Methodist Church, Ruston, Louisiana, with her pastor, Dr. Virgil Morris, officiating.

Good-bye, dear friend, I shall see you in the morning!

MRS. R. E. SMITH
